Strands	Course Level Expectations*
Create	<ul style="list-style-type: none"> • The creative ideas, concepts, and feelings that influence musicians' work emerge from a variety of sources. • Musicians can generate creative ideas, make creative decisions, and know when to share. • Musicians evaluate, and refine their work through openness to new ideas, persistence, and the application of appropriate criteria. • Musicians' presentation of creative work is the culmination of a process of creation and communication
Perform	<ul style="list-style-type: none"> • Performers' interest in and knowledge of musical works, understanding of their own technical skill, and the context for a performance influence the selection of repertoire. • Analyzing creators' context and how they manipulate elements of music provides insight into their intent and informs performance. • Performers make interpretive decisions based on their understanding of context and expressive intent. • To express their musical ideas, musicians analyze, evaluate, and refine their performance over time through openness to new ideas, persistence, and the application of appropriate criteria. • Musicians judge performance based on criteria that vary across time, place, and cultures. The context and how a work is presented influence the audience response. • Response to music is informed by analyzing context (social, cultural and historical) and how creators and performers manipulate the elements of music
Respond	<ul style="list-style-type: none"> • Individuals' selection of musical works is influenced by their interests, experiences, understandings, and purposes. • The personal evaluation of musical works and performances is informed by analysis, interpretation, and established criteria.
Connecting	<ul style="list-style-type: none"> • Musicians connect their personal interests, experiences, ideas, and knowledge to creating, performing, and responding. • Understanding connections to varied contexts and daily life enhances musicians' creating, performing, and responding.
