August 2021

Dear Welsh Valley 6th and 7th Grade Families,

Enclosed you will find specific information regarding laptop distribution and policy guidelines for the 2021-2022 school year. Our 6th and 7th graders will be assigned a 1-1 Chromebook.

For our incoming 6th graders, laptops will be distributed in school during 6th Grade Orientation on September 1st. All 7th grade Welsh Valley students will receive their laptops on the second day of school, September 10th, 2021. All Welsh Valley students will be provided an opportunity to participate in a training session to review the policies and procedures regarding the appropriate use of the laptop

Students may not use their own personal laptop devices at school as they will not have access to our network. If a student should have a problem with their device, they will have the opportunity to visit our technology helpdesk center, located in the WVMS library, between the hours of 7:45 AM-12:45 PM, Monday through Friday during the school year. Prior to visiting the helpdesk center, we would encourage our students and parents to first email the technology office, outlining the technology concern at techsupport@lmsd.org.

6th and 7th grade Procedures (Chromebook)

In order for our 6th and 7th graders to receive their laptop, students must complete and/or submit the following:

1. **Electronically sign a parent/guardian and student electronic agreement** (via PowerSchool eCollect) granting the student permission to take the LMSD laptop off of school grounds. **Directions for electronically signing the appropriate agreement are attached.** Please note, both the parent/guardian and the student must electronically sign the appropriate agreement in their respective PowerSchool Portal accounts.
 - Provide a **parent/guardian electronic signature** (via eCollect) for permission of LMSD laptop use.
 - Provide a **student signature** (via eCollect).
2. Proof of insurance premium payment (\$30.00). Please note that this does not cover the fee for lost or broken chargers (\$25/\$50 depending on the type of Chromebook charger your child receives).
 - Please submit the \$30.00 insurance premium through **MySchoolBucks** online. Instructions can be found here: <https://www.lmsd.org/parents/myschoolbucks>.
 - If you are unable to pay using MySchoolBucks, you may send the \$30 check/money order to **Welsh Valley Middle School**. The check/money order should be payable to the **Lower Merion School District**. Please include your **child's full name** and

student ID number in the memo line of the check/money order. Again, we are requesting that payment be made through MySchoolBucks but if this is not possible, you may submit a check/money order.

- Parents/guardians may not substitute homeowners or other personal insurance for District procured laptop insurance.
- When a laptop is issued to a student as the result of an IEP team determining through the SETT process that a laptop is necessary component of the student's IEP, then the parent/guardian of the student is not required to pay the laptop insurance premium.
- If a student does not have laptop insurance and the laptop is lost, stolen, or damaged while in that student's control, then the District reserves the right to hold the parent/guardian responsible for the full replacement or repair cost.
- If a Laptop is missing or suspected stolen on school grounds during the school day, the student must report this immediately to the Dean of Students in their building. To report a Laptop missing or stolen after school hours, the parent/guardian or student must email techsupport@lmsd.org.
- Families who receive notification that they qualify for the Free and Reduced Lunch Program for the 2021-2022 school year will have the option to forgo the insurance cost, yet still have their student's laptop covered under this insurance agreement and do not need to provide payment. Families will **only** have this option if they have received notification from the school district that they qualify for the Free and Reduced Lunch Program either by **completing a new application online each school year** and receive a letter from the School District that they qualify or have been notified by the School District that they are predetermined eligible. In addition to the qualification of the program each school year, each family needs to sign the *Waiver for Sharing Information with Other Programs* that accompanies the Free and Reduced/Direct Certification Eligibility Letters. The Free and Reduced Application and the Waiver for Sharing Information with Other Programs are available on the LMSD.org Nutritional Services Page (<https://www.lmsd.org/departments/nutritional>) of the website.
- Families who participate in the Free and Reduced Lunch Program will be required to pay the deductible charge for each theft, loss, or damage claim. Families wishing to participate in this program must **apply** or **re-apply** and be approved for the program yearly at www.schoolcafe.com. Information regarding the Free and Reduced Lunch Program can be found on the Lower Merion School District website by going to www.LMSD.org/fandr. Families who don't apply (or re-apply), or who are denied eligibility to participate in this program will be required to pay the \$30 insurance premium.
- Students should also refer to the enclosed Best Practice Guidelines for Use of Student Laptop.
