

Viewing & Printing Report Cards

Park Hill Department of Technology

To print a report card, you must sign in Campus Parent at bit.ly/phcampusparent or, if you have it downloaded, access the Campus Parent app on your smartphone.

If you have forgotten your username or password:
Click the links on the sign-in page to recover them.

If you don't have a login for Campus Parent:
Contact your student's school.

Once signed in, click or tap the **Documents** tab. You may see several options for different terms. Click or tap your desired term and the report card will generate as a .pdf document.

If you have multiple students: click/tap the student portrait in the top right to switch between them. The report card will only generate for the selected student.

The report card may pop up in your browser or download to your device, depending on your browser settings. You can save this document to your device or print it directly.
