The League of Women Voters for Minnetonka, Eden Prairie, and Hopkins is happy to announce Candidate Forums for fall elections. Due to candidates' concerns about COVID, the events are NOT open to the public. Instead, the events will videotaped and available for viewing at a later date on the league's website, [www.lwvmeph.org](http://www.lwvmeph.org), once the cities have posted them on their websites.

The purpose of the Candidate Forum is to give voters an opportunity to hear candidates discuss the issues of importance to them in the upcoming election. Candidates will answer questions from the public. With no live audience this year, questions may be submitted via the LWV MEPH website at [www.lwvmeph.org](http://www.lwvmeph.org). The form can be found on the Forum Questions tab and must be completed three days prior to each event. When submitting a question, please include the city and candidate position your question is to be directed.
