Library

Having issues with your **laptop** or still need to pick it up?

Come by the library between 7am and 3pm any school day and we will help you.

Have you restarted your laptop lately? Doing so weekly will help it achieve optimal functioning, which is great for you! And no, simply closing your computer or pushing the power button does not restart it. Click the ON SCREEN power button and choose "Restart" from the options.

THANK YOU FOR STAYING SAFE

Remember to wear your mask when you are inside. It is a requirement to wear masks at all outdoor venues, when there are 500 or more people.
