From connection to community.

The Pingry Fund is a levy of annual support for The Pingry School. This program ensures that the School remains at the forefront of educational innovation, provides access to a rich curriculum, and allows for a broad range of extracurricular opportunities to students of all ages and abilities.

Directly supports:
- *Financial Aid* to families who otherwise would not be able to afford to send their children to Pingry.
- *Faculty & Staff* investment in the professional development and well-being of all Pingry employees.
- *Technology & Innovation* for the latest in academic and athletic programming.
- *The Arts* to create meaningful learning experiences in music, art, and drama.
- *Athletics* for the co-ed, intercollegiate athletic program.
- *Community Support* to the local community and charitable organizations.

From investment in innovation.

The Pingry Fund is designed to support the School’s capital projects, equipment, and programs. The Pingry Fund allows the School to attract, support, and retain the best faculty and staff, and to ensure that Pingry, as a premiere educational institution, remains on the cutting edge of academic and athletic programming. The Fund also supports the School’s endowment, which generates income to support the educational mission of the Schools.

The Pingry Fund is the primary vehicle for financial support of Pingry School throughout the year on a weekly, monthly or quarterly schedule. To set up a recurring gift, please visit www.pingry.org/giving/recurring-giving.

Recurring gifts are a convenient way to support the School. Pingry asks all members of the community to donate to the Fund. Recurring gifts are a way for you, as a donor, to commit to support the School at a level that is comfortable for you, since every dollar has real, tangible impact on the students.

In addition to financial support, you are encouraged to get involved from a few minutes to a few months. Volunteers are integral to the success of The Pingry Fund. Pingry asks every member of the community—parents, alumni, parents of alumni, grandparents, friends, and faculty and staff—to support the School philanthropically.

Making your gift.

**MAKE YOUR CALENDAR, September 27-28 to August 19 the next year, during this annual celebration of Dr. Pingry’s birthday, hundreds of parents, alumni, grandparents, faculty and staff, and friends demonstrate their commitment to Pingry with a gift to The Pingry Fund.**

**MATCHING GIFTS**

If your company sponsors a matching gift program, your gift to The Pingry Fund can often double or triple the value of a donor’s gift to Pingry. A company or foundation that matches gifts can often match 100% of the donor’s gift (subject to a dollar limit) and provide lifelong income on donor’s behalf. Please contact the School before the transfer is made so we may credit donors properly. Please contact Derrick Shearer, Director of Advancement Services, at dshearer@pingry.org to learn more.

**CAPITAL GIFTS**

A capital gift to The Pingry Fund is the dedication of a building, land, a classroom or a gym. The School is grateful to donors who have contributed to the School’s success through charitable donations. Capital gifts may be made to support the endowment, the Annual Fund, or a specific academic or athletic program.

**DIRECTED GIFTS**

Your gift to the School can be directed to one or more of six areas:
- *Financial Aid*
- *Faculty Professional Growth*
- *Technology & Innovation*
- *The Arts*
- *Athletics*
- *Area of Greatest Need*
