

KEENEYVILLE SCHOOL DISTRICT 20

5540 Arlington Drive East, Hanover Park, IL 60133 | (630) 894-2250 | www.esd20.org

September 17, 2021

Dear Keeneyville District 20 Families,

We hope that your family has gotten off to a smooth start to the school year! The health and safety of our students and staff continues to be our top priority, especially as 100% of our students are engaged in in-person learning. As you know, Illinois Governor JB Pritzker issued an [executive order](#) mandating that starting on September 19, all PK-12 school district employees, contractors, and volunteers be vaccinated or participate in weekly COVID-19 testing.

The majority of our District 20 staff members are already fully vaccinated. Staff members that have not yet completed a COVID-19 vaccination are participating in weekly testing. The district is working with our busing company, food providers, substitute teachers, and other contractors who work in our schools to ensure they also understand and comply with the requirements.

The biggest impact to District 20 families will be that starting September 19, anyone entering D20 buildings for more than a brief stop in the office must show proof of completed COVID-19 vaccination or proof of negative COVID-19 test that was taken within 7 days prior to your school visit. If you do not provide this documentation, you will not be allowed to volunteer or visit D20 schools at this time.

- All school visitors will be asked to submit a form ([ENGLISH](#) / [SPANISH](#)) along with their proof of vaccination or negative test results to the school office to entering our buildings. The form is also available on our website and in the school office.
- Families that are simply stopping by the school office for a few minutes to make a quick drop-off or pick-up are not required to fill out this form.
- For information about vaccination clinics: <https://www.vaccines.gov/>
- For information about testing sites: <https://www.dupagehealth.org/601/COVID-19-Testing-in-DuPage-County>.

Please note that you will also be required to follow all D20 COVID-19 protocols and mitigation strategies, including wearing face masks in any school at all times. For more information about our protocols, visit <https://www.esd20.org/return-to-learn/covid-19protocols>.

Thank you for your cooperation and support in helping to keep our schools a safe learning environment for our students, staff, and community.

Sincerely,

Dr. Omar Castillo
Superintendent of Schools
Keeneyville ESD 20
