To honor, encourage, and celebrate the excellence, diversity, and aspirations of each learner through creative and motivating challenges.

September 17, 2021

Dear Windsor Parents, Guardians, & Caregivers,

As we approach the end of the second week of school, we would like to give a moment of recognition to Ms. Julie Aylward. Julie already treated our high school students and staff to a performance. It was thoughtful, enjoyable and encouraged us all to seek to understand each other. Thank you Julie.

NEWS:

Please Help: As you may have read or heard a Tik Tik Devious Licks challenge is taking place nationwide and leaving many schools with damaged bathrooms. Unfortunately we have been on the receiving end of the pranks. We ask that you please talk to your children about keeping our school clean and safe. We have the best maintenance staff around and it does not feel good to see all the extra work they have to do cleaning up the messes and replacing the damaged soap dispensers. We are positive that with talks at home and our continued monitoring at school, we will curb these actions. Parents and guardians of those students found taking part in the activities will be notified.

School Picture Day: School picture day is Friday, October 1st. This date is for all students K-12. We are excited to be using Lifetouch again this year. Please keep an eye out for the form in your students backpack. You can log in at mylifetouch.com (for grades K-6 use the code EVTC2RFWB and for grades 7-12 use the code EVTH9KWQM).

News from our counselors: The add/drop period has ended. Any schedule changes will be due to extenuating circumstances and all parties will be involved in conversations prior to any changes.
