

DID YOU MISS CLUB RUSH?

We had an amazing turnout for Club Rush on Thursday. There were 40 clubs represented. Clubs are a great way to find others that share similar passions, interests, and goals.

Did you happen to miss Club Rush? If so, check out the [Club Website](#) for all of the critical information about each of the clubs – such as how to join and when they meet! The website will be ready Tuesday, Sept. 21st. Questions? Contact Kelly Ball at klball@sbunified.org.
