

Dubai College Extra-Curricular Template for Admissions in August 2022

Guidance Notes

Please complete the template to tell us about your child's extra-curricular achievements and interests. Please note that **only** extra-curricular information submitted to us in the template will be considered for admissions in August 2022.

Please rest assured that we certainly do not expect every applicant to be involved in every type of activity but we would like to understand which of our pillars your child is currently engaged with.

Filling in the template

1. Download the template from our website.
2. For each entry in the template, enter the relevant category from this list:
 - Academic (extra-curricular academic activities such as debating, subject contests)
 - Creative (for example music, dance, performing arts, creative arts)
 - Philanthropic (charitable or voluntary activities/initiatives)
 - Sporting
 - Other (for example leadership roles)
3. Enter a Description (up to 70 characters) and Details (up to 200 characters) for each entry.

Example entries for each category are shown below. Please tell us about any groups, ensembles or teams your child participates in and provide details of any awards such as music or drama grade examinations. Please include dates.
