Raisbeck Aviation High School  
Weekly Student Announcements  
September 19, 2021**

**Principal's Phoenix Flyers:**

*Stay tuned for what's next!*

Greetings RAHS Families and Community –

A huge congratulations go out to **Senior Aaron Chang** who has been named as a **National Merit Scholarship Semi-finalist!** This accomplishment means that Aaron is recognized as one of the top scholars in the nation. These academically talented seniors have an opportunity to continue along in this completion for 7,500 scholarship worth nearly \$30 million. Aaron, we are so proud of you! Congratulations!

September 15 through October 15, we celebrate **Hispanic Heritage Month!** Latinos are the largest minority in the United States and have been instrumental to the development of Washington state since the 1774 Spanish exploration of the Olympic Peninsula. Latinos have also been instrumental in aviation! For example, in 1910, Peruvian aviator and engineer Jorge Chavez became the first person to fly across the Alps. He left from the French side of the Alps for a record-breaking journey of only 51 minutes. His plane crashed and sadly, Chavez survived the crash, but died from injuries four days later on the Italian side of the Alps. He will always be remembered for his accomplishment.

Raisbeck Aviation High School is pleased to announce that we are now a part of the national **CAPS Network** – a network of innovative, project-based learning focused schools throughout the United States. Through the network we have the opportunity to collaborate with and learn from other education partners in expanding the variety of experiences and connections for our students. Highline schools Maritime High School and Puget Sound Skills Center join us in this network.

***Upcoming Events:***

**October 7** – Evening of Learning

**October 9** – Homecoming

**October 13** – SAT and PSAT

**October 15** – NO SCHOOL

Have a wonderful week everyone!

*Therese Tipton*

**All Highline students will receive free breakfast and lunch for the 2021-2022 school year**, regardless of income level. We are however, encouraging those families who qualify, to fill out the free/reduced lunch form online. <https://apply4meals.highlineschools.org/fma/> And as always, students can bring their own meals from home.

**Students** - The Saturday Morning Physics (SMP) application for the Fall 2021 online session is open! SMP is a free-of-charge series of eleven lectures and tour visits given by Fermilab scientists. The program's purpose is to further the understanding and appreciation of modern physics among high school students. The lectures are aimed at high school students without any previous scientific knowledge. All of the lectures, tours, and question and answer sessions will be held online via Zoom for the Fall 2021 session. A draft of the current lecture schedule is available at this link - [saturdaymorningphysics.fnal.gov/fall-2021-session](https://saturdaymorningphysics.fnal.gov/fall-2021-session). The application deadline for the Fall Session is September 20. Applicants will be notified of their acceptance soon after that date. The application can be accessed at <https://saturdaymorningphysics.fnal.gov/>. Please email [saturdaymorningphysicsstudents@fnal.gov](mailto:saturdaymorningphysicsstudents@fnal.gov) with any questions.

**Students -New PE and Art contracts for 2021-2022:** Starting a new PE or Art contract? Register for the PE & Art Contract class in Canvas using this link: <https://hsd.instructure.com/enroll/H4ENP3>. All contracts started after September 2 must use this Canvas class. See Mr. Sav any time if you have questions or need help.

**Students - Dress Standard:** Being back at school means getting back into our dress standard. See the [Student Handbook](#) for details or look for posters around school.

**Students - PSAT & SAT** are coming up on **Wednesday October 13** for grades 10-12. Get a good night's sleep, get to school on time, and bring water, a snack, and a calculator if you have one. Free PSAT prep resources are at <https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/practice>, and free SAT prep resources are at <https://www.khanacademy.org/test-prep/sat>. For questions see Mr. Sav.

**Women in Aviation**, International is once again hosting the worldwide **Girls in Aviation Day on Saturday, September 25th**, and the Washington State Chapter has a fabulous day planned for young ladies ages 12 and up. Interested girls are invited to attend this **free**, inspirational and exciting event about aviation and aerospace careers. This day is generously hosted by the Harvey family at Harvey Field Airport in Snohomish, an airport owned and run by women. It will be a fun and busy day. The girls will explore Harvey Field, meet the teams who run the airport, the jump center, the maintenance facility, and the flight training center. They can explore aircraft, too. Our accomplished chapter members and friends will share their career and training stories, and provide a lot of hands-on encouragement and mentoring. Lunch is provided, and if we're lucky, the wonderful Airlift NW helicopter team will drop in to share their aircraft and talk about their work. **Space for 30 girls only, so don't delay!**
