MTEHOD BOOK INFORMATION

Violin, Viola, Cello, Double Bass

Essential Elements for Strings Book 1 (Publisher: Hal Leonard)

Students must purchase a personal copy of this method book. Each book contains an activation code granting the purchaser access to interactive resources and registration links the student to the CDS music section within the Essential Elements online platform.

***If your student is working near the end of book 1 it is recommended to also purchase Essential Elements for Strings Method Book 2.

Guitar: Everybody's Guitar Method Book 1 (Publisher FJH Music Company)

All guitar students will be assigned a book from the classroom set for use this year. There is NOT an Essential Elements Interactive program yet for guitar. No method book purchase is necessary for guitar players unless there is no way to stop by school and pick up the book assigned for the year.

***** ALL INTERMEDIATE LEVEL MUSIC STUDENTS who have completed the level 1 and 2 method books with a private instructor should consult with Mrs. Callahan to determine the method book and music materials needed.**
