**THE PURPOSE OF SIMB:**

- A. Provide volunteer support to the band and orchestra programs and directors within the Strongsville City Public Schools.
- B. Provide supplementary financial support to the band and orchestra programs within the Strongsville City Public Schools outside of the district budget.
- C. Promote and foster interest in the band and orchestra programs with in the Strongsville City Public Schools.
- D. Sustain the Fundraising efforts by SIMB.

**WELCOME EVERYONE:**

We are getting ready to start off a New School Year. The Students, Directors, Officers and Chairs have been busy for the new school year. The 2021-22 School Year is going to make this a FUN and EXCITING YEAR. For update information, please visit the NEW Website from The Strongsville City Schools. John Zylstra is working with Dan Foust at the BOE.

**NEW SHED:**

The new shed is being delivered between August 13- 15<sup>th</sup>. Steve Breckner confirmed this with me last week. Keith Simak, Maintenance Director, will oversee the installation. Currently, the Visitor's Concession Stand is our shed storage area. Bill Wingler, Denny Ziegler, and Steve Breckner know that this site will be closed for concessions until the New Shed is ready for usage.

**WELCOME NEW CHAIRPERSON:**

The Executive Board would like to welcome Diana Ragan – Membership Chairperson. Scott Carman and myself met with Diana last month. The three of us spoke about the Program and developed a game plan for the 2021-2022 School Year. Welcome Diana

The Executive Board would like to thank A.J. Scott who handled the Membership Chairperson Role until a New Chair was appointed. Thank you A.J. for your help and being a TEAM MEMBER.

**CONCESSION STANDS:**

As mentioned earlier, the Visitor Concession Stand is closed until further noticed. Currently is our storage shed. A larger concern developed as we were cleaning out the stands. A hornet's nest was building in the stand as well as a critter issue. The Stand has been thoroughly cleaned. Steve Breckner from Facilities at the BOE was notified. He is working on the removal of the critters and insect issue. He is also working on sealing off the stand so nothing will penetrate the stands.

The Main Concession Stand and Prep Area were thoroughly cleaned out. The Refrigerators were plugged in and everything is working well. I want to thank the SHS Music Program Students and Parents who helped out. Your time that you gave on Saturday, July 31, 2021 was truly appreciated.

**COKE CONTRACTED RENEWED FOR THE STRONGSVILLE CITY SCHOOLS:**

In talking with Steve Breckner from Facilities, he stated the Coke Contract for the School System was going to be renewed at the Thursday, August 5, 2021 Board Meeting. While talking to Steve, he indicated that our request to purchase off their contract would not be an issue. The cold drink inventory would be included in the high school inventory. An initial order was sent to Bill Wingler and Steve Breckner. We will be maintaining a par level of

product that would be stored in Concession, Prep, High School and New Shed. I will be working with Ron Uline in expediting payment to the School System.

#### **PAT CATAN STADIUM UPDATES:**

The team from SIMB and the Athletic Boosters did not meet over the Summer. Athletic Boosters are working on their game plan on what they to see in the way of improvements at Catan Stadium. The items that SIMB recommended have been in the Boards hands since March of this year. Dr. Ryba sent an email in July to all Organizations who use Catan Stadium to send their ideas. I resent ideas on what Concession would need in an update. Those ideas are the following:

1. New Visitor Concession Stand with Visitor Restrooms attached
2. New Home and Visitor Locker Rooms
3. Renovate Main Concession, Visitor Locker Room, Maintenance Storage into a New Concession and Kitchen and Prep Area
4. Renovate Home Locker Room and Prep Area into Storage and Team Shop.

#### **CONCESSION:**

The Concession Team met last week and discussed the upcoming season. We planned out the New Menu for the 2021-22 School Year.

Starting off is Menu from Dairy Queen. For Friday Night Football, Concession will be selling the following:

1. Hamburgers
2. Hotdogs
3. Chicken Sandwiches
4. Dilly Bars
5. Ice Cream Sandwiches
6. DQ Blizzards

For those who do not know, Gina's Pizza closed at the end of July. The owner decided to retire. He thanked SIMB for their support over the past few years. With that, we are pleased to announce that Emilio's Pizza will be our new Pizza Vendor. Charbel Lahood who is the owner of Emilio's is excited to be working with us. Emilio's has worked in the past with the Football Team with Team Dinners. They currently handle the pizza for the Rec. Center. Emilio's was recommended by Gina's Pizza.

Peace Love and Little Doughnuts will be our new Doughnut Vendor. They will be replacing Krispy Kreme. The thought process was to support local independent businesses. PLLD worked with SIMB on Friday Night Food Frenzy during the 2020 Football Season. We welcome them as a SIMB Vendor Partner. They will be selling their doughnuts at the Varsity and JV Games. Beth Davis, co-owner of PLLD, will be attending the games and selling her doughnuts. They will be selling their doughnuts over by the Prep Area.

#### **ALUMNI MEMBERSHIP:**

In June, the Executive Officers met and voted on an Alumni Membership Program. After the Executive Officers approved the Motion of an Alumni Program, it was brought up at the June 2021 Meeting. The Alumni Membership was voted on an approved. The Main Purpose of the program is to keep students and their parents up to date with our Award-Winning Music Program. Also, the Membership Dues will be from the Alumni Membership will be used for a Scholarship Fund for Music Lessons and Music Camp for students who need assistance. More information about the program will be forth coming.
