## **THORNTON ACADEMY: Statement of Mission**

**Thornton Academy prepares students for a changing world,  
challenging all to learn, grow, innovate and succeed.**

Founded in 1811, Thornton Academy is an independent school that develops 6-12<sup>th</sup> grade learners who are respectful, responsible, compassionate, and invested. Our community takes pride in carrying on our strong sense of tradition. Our co-educational, non-sectarian institution supports diverse ideas, cultures, and dreams and engages local, regional, and global perspectives.

Thornton Academy's commitment to excellence encourages students to flourish; the breadth of the academic program is tailored to the needs of our diverse student population. Comprehensive offerings in athletics, arts, and extracurricular activities inspire students to pursue their passions on our stunning and historic campus.

### **The Four Pillars of Community Life**

The Thornton Academy Pillars are the core values and guiding principles that enhance our shared experiences, informing our actions and attitudes.

#### **RESPECT**

Respect defines treatment of one's self and others. We recognize differences among members of our community, act with character and integrity, and are aware of how our actions impact others. To honor our surrounding environment, we are polite, humble, proud, and appreciative.

#### **RESPONSIBILITY**

We show responsibility by embracing individual ownership of behaviors and choices, making informed decisions and demonstrating maturity, accountability, preparedness, timeliness, integrity, and purpose.

#### **COMPASSION**

Compassionate individuals know how to relate to and understand the opinions and experiences of others. We improve the quality of our school community by showing thoughtfulness and gratitude as we encounter new perspectives. We foster our growth and relevance through connection, acceptance and celebration of differences.

#### **INVESTMENT**

Investment involves the act of being aware of one's actions, setting appropriate goals, and consistently assessing our progress. Investment takes many forms, but the best practitioners are engaged, committed, persistent, caring, energetic and willing to take risks. By being invested in our school, our time and efforts are valued by all.

## SCHOOL POLICIES

The policies in this student handbook represent the current student policies at the time of posting. Changes may occur during the school year. Up-to-date information may be found in the “MyTA” section of the school website:

[www.thorntonacademy.org/my-ta](http://www.thorntonacademy.org/my-ta)

## SCHOOL ATTENDANCE

**Consistent attendance is essential in order for students to find academic success and earn credits steadily toward graduation.** Classroom instruction and discussions are vital parts of every course that cannot be re-created and should not be missed, making regular attendance crucial to learning. As adults, good attendance at work will also be expected and required. Parents are asked to partner with teachers by ensuring their students’ daily attendance. All students are expected to arrive at school on time and attend all assigned classes every day.

Attendance will be taken on a regular basis. Students who do not attend in person or remotely for the class will be listed as absent. If a student will be absent for the day, a parent/guardian must email or call the attendance office as they have before.

### ATTENDANCE POLICY

**School begins at 8:30 a.m.** Daily attendance is noted on student report cards.

#### Non Bus Student Arrival

- The campus will open 30 minutes before the start of the school day and close 15 minutes after block 4 ends.
- Student Drop off
  - Students should arrive on campus no earlier than 30 minutes from the start of the school day..
  - Students may be dropped off in the front of the school, or either student parking lot.
    - Student drop offs should not take place in the bus loop.
- Student Pick up
  - Students should be picked up no later than 15 minutes after the school day.
  - Students may be picked up in the front of the school, or either student parking lot.
    - Student drop offs should not take place in the bus loop.

#### For any absences, tardy or dismissal from class

- A parent/guardian MUST complete the [Attendance Form](#)
- In order for an absence to be excused, it must fall under one of the Academy’s definitions of excused absences:
  - Personal Illness
  - An appointment with a health professional that must be made during the regular school day
  - Observance of a recognized religious holiday when the observance is required during the regular school day
  - A family emergency
  - A planned absence for a personal or educational purpose that has been approved in advance through the Dean’s Office.
- Unexcused absences will result in a grade of 0% for the day and may result in additional consequences such as detentions.

#### When a Student Is Tardy

- Submissions must be placed by using the [Attendance Form](#) before the student arrives at school.
  - Tardies exceeding 50% of the block count as an absence from the class, and count towards a student’s absenteeism count.

#### When a Student Is Absent

- Absences must be submitted using the [Attendance Form](#) by 12pm (noon) the day of the absence. If notification is not received, the student will be listed as “absent unexcused”.

**Thornton Academy Student Handbook COVID-19 Addendum** can be found on p29

- No corrections will be made after 48 hours and the absence may remain unexcused. Messages are received 24 hours a day, 7 days a week.

### Dismissals

- Prior to the dismissal time, a parent/guardian must complete the [Attendance Form](#). Students will receive a dismissal slip with the time.
- Students are not allowed to leave and then have an excuse placed afterwards.
  - Dismissals exceeding 50% of the block count as an absence from the class, and count towards a student's absenteeism count.

### Make-Up Work

Students will have up to one week from the day of return from an excused absence to make up work for any missed classes. Students cannot make up work from an unexcused absence. Unexcused absences include class cuts, truancy, absences or tardies without parental notification and documentation.

### Attending Class

A student cannot be excused or released from any class or study hall without a pass. Teachers take attendance each block and record any absences and tardies.

- \* Students are not allowed to leave campus during lunch.

### TA-Release

The intention of TA Release is to provide students an opportunity to attend their academic programs and still have the privilege of leaving campus during a study hall period. During the scheduling process students may apply for and parents may grant approval for TA Release. Once students have been properly scheduled with the necessary courses, TA Release blocks can be added to the blocks where their schedules show study hall time(s).

TA Release is available with parental permission for 11th and 12th grade students for any block. For 9th and 10th grade students, TA-Release will be granted for blocks 1 and 4 with parental permission. Blocks 2 and 3 may be granted through the dean's office.

The student and parents must agree to the following conditions:

- Students must leave campus immediately, no loitering on campus or parking lots.
- TA Release is ONLY permitted during scheduled study halls.
- The proper number of credits are scheduled for graduation purposes.
- A subject may not be dropped simply to allow for TA Release.
- Transportation for TA Release is the responsibility of the student and/or parent.
- TA Release is allowed only with the consent of the dean, school counselor, student and a parent/guardian.
- Students must report on time.
  - Students who have a release during blocks 1, 2 or 3 MUST be on time to their next academic obligation. If not, a point will be deducted from their quarter grade and the privilege may be taken away.
- All parties agree that the privilege may be lost for the following reasons:
  - Unexcused tardiness to school, failure to check in or failure to leave.
  - Disciplinary reasons.
  - Dangerously low grades.
- If a TA Release student stays on campus, that student MUST report to the designated study hall and inform them that they are a TA Release student. The student must remain a study hall student for the remainder of the block.

NOTE: Parents and students should be aware of the following:

- A. All athletic participants must carry sufficient credits (4 or the equivalent) to maintain eligibility.
- B. A student carrying fewer than 4 full credits (or the equivalent) will not be eligible for Honor Achievement consideration.

### Planned Absences/Leaves

**Thornton Academy Student Handbook COVID-19 Addendum** can be found on p29

Students must complete a [Planned Absence Form](#) and submit it prior to the planned absence(s). If this form is not submitted to the Deans' Office prior to the dates of the planned absence, those days may be logged as unexcused and the student will not be able to make up any work missed.

### **Extra-Curricular Activities**

Students must attend school or have an excused absence on the day of any extracurricular activity in order to participate in the activity. Any appeals should be discussed with the class dean, coach/advisor and Director of Athletics.

### **ATTENDANCE INFRACTIONS**

Attendance infractions may warrant consequences ranging from teacher warnings to detentions or suspensions. Attendance infractions may also result in grade point reduction(s) and/or the loss of opportunity to make up work. Parents/guardians, teachers, and counselors will be contacted regarding attendance infractions and assigned consequences.

### **IN CASES OF MULTIPLE ATTENDANCE INFRACTIONS**

Any student who accumulates 12 absences in a yearlong, or 7 absences in a semester-long, course (excused or unexcused) will not receive credit in that class towards graduation. A tardy or dismissal that is more than half of a block will also count as an absence. A student who loses credit may stay in the class and earn a grade for the transcript. Students who continue to miss class may be removed per the discretion of the deans, school counselors and the administration.

A student may appeal this provision within five (5) days of being notified of the loss of credit. Appeals must be initiated by the student or a parent.

- The appeals committee will be made up of the dean, school counselor and associate head. Parents/guardians will be encouraged to attend the appeals session.
- Documentation of the reasons behind the accumulated absences will be required before any appeals are considered.
- The committee will make a recommendation as to whether the student receives credit. The dean will make the final decision in consultation with the school counselor.
- Only absences with documented reasons will be considered in the appeal and these reasons must fall under the list of excused absences as defined by Thornton Academy (see p 3 above)
- Results of the appeal will be placed in the student's cumulative file.

### **BEHAVIOR EXPECTATIONS**

The core values that underlie the expectations of Thornton Academy community members are the Pillars of **respect, responsibility, compassion, and investment**. The pillars, and the following pursuant rules and policies, apply to any student who is on school property, in attendance at school, at any school-sponsored activity, or whose conduct at any time or place, on or off campus, directly interferes with the operations, discipline or general welfare of the school community.

**Respectful and Compassionate treatment** — Students have the right to be treated fairly and courteously, as do classmates, teachers, administrators and staff. Anyone who infringes on another individual's rights can expect to be disciplined. Students are expected to show the same respect for the Academy, their classmates and teachers that they would expect to have shown for themselves and their property.

**Thornton Academy Student Handbook COVID-19 Addendum** can be found on p29

**Represent Thornton Academy well** — Respectful, responsible, and courteous student behavior is expected whenever students attend any Thornton Academy event, whether on or off campus. Students participating in school-sponsored trips must stay with the group and promote Thornton Academy through their good behavior. On campus, students are expected to be courteous to visitors and exhibit appropriate public behavior.’

**Compassionate choices** — Students are expected to make compassionate choices within our diverse community and refrain from the display of hate symbols and language on clothing and belongings.

**Non-school items** — Non-school items may be hazardous to the safety of others and interfere with the academic environment, and so should be left at home. Non-school items brought to school may be taken and returned only to a parent/guardian.

**Cell Phones** — During the academic day (8:30 AM—2:45 PM) cell phones should not be used, seen or heard while in an academic class. Students are permitted to use cell phones during passing time between classes, in the dining commons during lunch or in the dining commons study halls. Students are asked to be respectful and responsible with cell phone usage. Non-permitted use of cell phones may result in the cell phone being taken and given back to the student at the end of the block or school day.

**School property** — Students are expected to be respectful of school property, taking pride in the campus by keeping it clean. Use the walkways to travel between buildings. Students are expected to be responsible by taking proper care of any school issued item including materials and equipment.

**Computer/Internet use** — Computer/Internet use at Thornton Academy is a privilege. Any inappropriate use may result in the loss of privileges and further disciplinary action. Consult the Acceptable Use Policy (available at the MyTA section of the website) for more information.

**Bus behavior** — Act appropriately on the bus. Riding the bus is a privilege that can be lost by ignoring or breaking the rules.

**No loitering** — Students are expected to go to class. Students who have been granted TA-Release or dismissal must leave campus. Loitering anywhere on campus is not allowed and may result in loss of privileges. Students who are not participating in a club, group, meeting, activity, or athletic event after school may not be on campus after school. Skateboarding, hoverboarding and similar activities are not allowed on campus at any time.

**Parking** — Junior and senior students only may bring vehicles to school with a current parking pass issued from the school. All student vehicles must be parked in a student parking lot. The Director of Campus Security will distribute parking permits. Parking without a sticker or in a non-student space may result in disciplinary action. Reckless driving could result in immediate loss of privilege and further disciplinary action. See the Campus Parking Policy published in this handbook or online at the MyTA section of the school website.

**Lunch waves** — All meals are to be consumed in the Dining Commons or other designated dining locations.

**Appropriate dress** — Students are required to dress appropriately for a serious learning environment. Clothing choices must be non-distracting and provide appropriate coverage. Students wearing inappropriate clothing will be referred to the dean or an administrator.

## **CONSEQUENCES FOR BEHAVIOR INFRACTIONS**

*Thornton Academy Student Handbook COVID-19 Addendum* can be found on p29

Consequences for behavior infractions anywhere on campus, during or after school, may result in a conference with a dean, parental notification, office detention(s), an out-of-school suspension, removal from class or loss of privilege (cell phone, bus, etc.), and possibly expulsion.

All detentions should be served on the day they are assigned. A student who fails to serve a detention may be suspended.

### **SERIOUS BEHAVIOR VIOLATIONS**

Some infractions are so severe they warrant strong disciplinary actions up to and including an out-of-school suspension, a referral to the School Resource Officer, and/or expulsion.

**These infractions may result in actions up to and including an out of school suspension or expulsion. The following will NOT be tolerated at Thornton Academy:**

- Harassing, discriminating, hazing, and/or bullying behavior
- Aggressive, violent, and/or threatening behavior
- Disrespectful behavior, insubordination, and/or inappropriate language toward staff
- Use, possession and/or distribution of drugs, drug paraphernalia, prescription medication, tobacco, e-cigarettes, vaporizers, and/or alcohol
- Vehicle violations
- Vandalism
- Theft
- Weapons
- Unauthorized electronic distribution of libelous imagery, video, or written communication
- Cheating, lying, plagiarism, forging or any form of dishonesty

Thornton Academy reserves the right to take action on any behavior that occurs off campus that may impact the educational experience or safety of Thornton Academy students and staff. Students who are referred to the School Resource Officer may be charged with a crime.

### **Suspension**

Out-of-school suspension is a severe form of punishment used to convey to both student and parent/guardian that the school will not accept or tolerate the type of behavior that prompted the suspension. A parent/guardian conference may be required prior to a student's return to school. Repeated violations may lead to expulsion. Suspended students cannot be on campus or at any school event off campus for **ANY** reason until the day they are allowed to return to school.

## **BEHAVIOR-RELATED POLICIES**

Behavior-related policies are posted in the MyTA section of the school website.

The policies posted online are the most current.

### **HARASSMENT, DISCRIMINATION, HAZING and BULLYING POLICY**

Thornton Academy is a large and diverse campus built on a foundation of trust, respect, and acceptance. Creating a safe, welcoming environment for students, staff, and visitors is our foremost goal; any and all forms of conduct that create an intimidating or hostile environment that interferes with an individual's educational or professional performance is strictly prohibited and will not be tolerated. Thornton Academy's policy is more stringent than what is mandated by law and Thornton Academy reserves the right to apply disciplinary measures and other corrective action for inappropriate conduct that does not meet the legal definitions of harassment, discrimination, and bullying.

This policy, along with all rules of conduct, applies to students while they are on campus or at a school sponsored event such as an athletic competition, dance, performance or field trip. The Academy reserves the right to take action on any behavior that occurs off campus that may impact the educational experience or safety of Thornton Academy students or staff.

***Thornton Academy Student Handbook COVID-19 Addendum*** can be found on p29

## **Harassment or Discrimination, including Sexual or Gender-Based Harassment**

Thornton Academy prohibits all forms of illegal harassment or discrimination that is based on an individual's race, color, gender, pregnancy, religion, national origin, ancestry, age, sexual orientation (including gender nonconformity and gender identity and expression, including status as a transgender or transsexual individual), genetic information, whistleblower status, military/veteran status, physical or mental disability, or any other status protected by law. Harassment or discrimination is defined as behavior that is based on a person's protected status and is personally offensive or threatening, impairs morale, or is so pervasive or severe that it has the purpose or effect of:

- Creating an intimidating, hostile, or offensive environment; or
- Unreasonably interfering with an individual's ability to participate in or benefit from the school's program; or
- Creating a situation where academic decisions of a student depend on his or her submitting to and/or not objecting to the behavior.

Discrimination and harassment can take many forms. Examples include, but are not limited to:

- Limiting opportunities to participate in certain clubs, teams, or activities based on certain characteristics;
- Slurs, jokes, statements, remarks, questions, gestures, pictures, emails, texts, or cartoons regarding legally protected status that are derogatory or demeaning to an individual's or group's characteristics or that promote stereotypes;
- Demands for sexual favors in exchange for favorable treatment, academic rewards, or continued participation in a program or project;
- Obscene, demeaning, or abusive commentary about an individual's body or other personal characteristics;
- Responding to refusals to provide sexual favors with verbal, emotional, or physical abuse;
- Offensive or unwelcome sexual flirtation, advances or touching;
- Unwanted sexual contact or nonconsensual sexual intercourse, including any coerced or non-consensual sexual relations (see Thornton Academy's Student Sexual Misconduct Policy below);
- Sexual or lewd jokes, remarks, leering, whistling, brushing against the body, or other suggestive or insulting gestures or comments;
- Audiotaping, videotaping, or otherwise recording others in sexual or other potentially embarrassing circumstances
- Forwarding or threatening to forward potentially embarrassing recorded material to others;
- Intimidating or suggestive remarks about an individual's sexual orientation or gender identity, whether actual or implied;
- Sexually suggestive or degrading sounds or remarks (written, oral, or electronically transmitted), including graffiti and the spreading of sexual rumors, made to or about another member of the community;
- The use of school technology to transmit sexually suggestive, offensive, and/or degrading material, whether received at school or elsewhere;
- The open display of sexually offensive objects, pictures, and messages.

Sometimes harassing behavior results from ignorance or insensitivity to the feelings of others. Being mindful of how one's behavior is affecting others and communicating the effect of the behavior of others are good ways to minimize harassment. Some forms of sexual harassment may fall under the Academy's Sexual Misconduct Policy, in which case that policy will be the applicable one.

## **Hostile Environment**

A hostile environment is one in which discrimination, harassment, or bullying causes the School environment to be permeated with intimidation, ridicule, or insult that is sufficiently severe or pervasive to alter the conditions of a student's education.

## **Bullying**

Bullying is characterized by a power differential and involves aggressive behavior that is either a single significant incident or a pattern of repeated incidents that are intended to cause harm. Bullying is defined as the use by one or more students of a written, verbal, or electronic expression or a physical act or gesture or any combination thereof, directed at a target that:

- Causes physical or emotional harm to the targeting student or damage to the targeted student's property;
- Places the targeted student in reasonable fear of harm to himself or herself or of damage to his or her property;

***Thornton Academy Student Handbook COVID-19 Addendum*** can be found on p29

- Creates a hostile environment at school for the targeted student;
- Infringes on the rights of the targeted student at school; or
- Materially and substantially disrupts the educational process or the orderly operation of the school.

Bullying can include, but is not limited to:

- Hitting, slapping, pushing, and other physical conduct that causes bodily harm;
- Threatening in a manner that puts someone down or is cruel;
- Deliberately excluding someone as a way to humiliate or demean them;
- Sexually harassing conduct;
- Hazing activities.

### **Cyber-Bullying**

Cyber-bullying is bullying through the use of technology or electronic devices such as telephones, cell phones, computers, fax machines, and the Internet. It includes, but is not limited to, email, instant messages, text messages, and Internet postings, whether on a web page, in a blog, any form of social media, or otherwise.

Cyber-bullying may include, but is not limited to:

- Taking a private email, instant message, or text message and forwarding it, or threatening to forward it to others or posting it where others can see it to embarrass or intimidate a person;
- Spreading hurtful rumors online about another person;
- Threatening or insulting through aggressive emails, instant messages, or text messages;
- Posting or threatening to post embarrassing pictures of someone online without his or her permission; and
- Creating a web page or blog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages, if the creation or impersonation causes any of the conditions listed in the definition of bullying listed above.

### **Hazing**

Hazing is defined as conduct or a method of initiation into any student organization which willfully or recklessly endangers the physical or mental health of any student or other person, regardless of the consent of the individuals involved.

Examples of hazing include, but are not limited to: whipping, beating, branding, forced calisthenics, exposure to the weather, forced consumption of any food, beverage, drug, or other substance, or any other brutal treatment or forced physical activity which is likely to adversely affect the physical health or safety of a student or other person, or which subjects a student or other person to extreme mental stress, including extended deprivation of sleep or rest or extended isolation.

While harassment, discrimination, bullying and hazing all fall within a spectrum of interpersonal aggression and sometimes violence, they are not synonymous. Hazing is predicated on inclusion and can sometimes be overlooked because it can appear as neither particularly aggressive, nor as intended to harm. In addition, hazing can sometimes be confusing for students to understand because they might consent to the behavior. It is important to note that because hazing involves a group context and the power differential of current members and those seeking membership or acceptance by the group, peer pressure and coercive environment can exist and interfere with consent. Therefore, conduct can be deemed to be hazing regardless of a person's willingness to participate.

### **Reporting Process**

Thornton Academy seeks to achieve, through education, communication and mediation, a welcoming and respectful work and school environment free of hostility, intimidation, harassment, sexual harassment and discrimination. A student, employee, parent or other individual who has concerns should follow the guidelines described below.

**Anyone who believes that this policy has been violated should report to a dean, school counselor, school resource officer, or administrator.** If you believe that the person's behavior may violate the law, you may report the matter directly to the police. Please be aware that Thornton Academy is required to report certain misconduct that comes to its attention to parents, Maine Department of Health and Human Services ("DHHS") and/ or the District Attorney's Office (see Thornton Academy's Mandatory Reporting Policy), and/or the police.

No one will be reprimanded or punished in any way for initiating an inquiry or report in good faith.

### **Requests for Confidentiality**

Thornton Academy cannot honor requests for complete confidentiality because information must be shared in order to conduct an effective investigation and/or to comply with mandatory reporting laws. However, Thornton Academy will treat information it receives with sensitivity and will only disclose such information on a need-to-know basis. If a reporting party requests confidentiality and/or that Thornton Academy not investigate, Thornton Academy may still need to investigate the allegations in order to ensure the safety of the entire campus community.

### **Thornton Academy's Response to Report of Discrimination, Harassment, Bullying, Hazing**

Once Thornton Academy learns of a potential violation of this policy, Thornton Academy may pursue an informal or formal process depending on the nature of the allegations. A dean, associate head, principal, assistant principal, school counselor, social worker, or administrator may serve as an intermediary to moderate a conversation (either in person or writing) between the parties to resolve the situation. Further, Thornton Academy may put measures in place to separate the parties (i.e. mutual no-contact order) and/or stop the inappropriate conduct (i.e. a cease and desist). In addition to the above options, a dean, associate head, principal or other administrator may conduct an informal investigation to gather facts and make a determination about the appropriate course of action and/or disciplinary response.

In the event that an informal process is unsuccessful or inappropriate, Thornton Academy will conduct an investigation in order to determine whether it is more likely than not that the reported conduct occurred, based upon a preponderance of the evidence, and whether disciplinary action is warranted. Such investigation may be conducted by a senior administrator, dean, associate principal, or external investigator depending on the nature of the report. The investigation may include, but is not limited to, interviews of those individuals directly involved in the incident and relevant witnesses, and collecting documents and any other evidence bearing on the incident. More than one interview of student parties and witnesses may be necessary in order to conduct a thorough investigation.

Thornton Academy may put interim measures in place for the safety of the reporting party and/or the school community, including a mutual no-contact order. Interim measures may include academic accommodations such as a change to class schedule, residential accommodations, such as a change in housing, and changes to meal time, sports or activities. Interim measures may also include medical or counseling services, a mutual non-contact directive, and/or a voluntary or mandatory leave from school for a period of time.

Upon completion of the investigation in the formal process, the investigator will analyze all the evidence and determine whether this policy was violated. The investigator will report the findings, rationale, and conclusions to the Associate Head of School and/or Principal, who will make the final determination as to what, if any, remedial action or disciplinary measures should be taken.

Following the formal investigation, Thornton Academy shall inform the student parties and parents of the decision as soon as possible and explain to the student parties the reasons for the decision.

### **Retaliation**

Retaliation is any form of intimidation, reprisal, or harassment directed against a student who reports discrimination, harassment, or bullying, or who witnesses or provides information during an investigation about such behavior. Retaliation against any such individual, whether by the accused person or someone else, will not be tolerated and will be subject to the same strict discipline as harassment, discrimination, or bullying itself.

### **Abuse of Process/ Failure to Cooperate with an Investigation**

Because allegations of harassment, discrimination, hazing, and bullying are serious and can be damaging to accused persons' reputations, any person who knowingly, maliciously, or recklessly makes a false complaint will be subject to discipline. In addition, because candor and honesty are essential to the investigation and remediation process, they are required of all participants, including any witnesses. Withholding of any material information in an investigation is prohibited. Students and employees are expected to cooperate fully in an investigation conducted by Thornton Academy.

***Thornton Academy Student Handbook COVID-19 Addendum*** can be found on p29

## **Discipline**

Persons who are found to have violated this policy will be subject to discipline, up to and including suspension or expulsion.

## **STUDENT SEXUAL MISCONDUCT POLICY**

Thornton Academy strives to be a safe and supportive environment that cultivates learning and personal growth for all of its students. All forms of sexual misconduct, including but not limited to sexual assault, interfere with this critical mission and will not be tolerated. Thornton Academy will take appropriate action to prevent and correct behavior both by employees and students that violates this policy. Thornton Academy will also take any necessary disciplinary action against students. This policy applies to student sexual misconduct that occurs on campus or at any school-related activities. Thornton Academy reserves the right to address sexual misconduct that takes place off campus under this policy if such conduct causes a substantial disruption to or endangers the safety of the campus community.

Sexual misconduct is a broad term used to describe a range of prohibited behaviors and includes unwanted behavior of a sexual nature that is committed without consent or by force, intimidation, coercion, or manipulation. Sexual misconduct can be committed by a person of any gender, and it can occur between people of the same or different gender. Sexual misconduct may vary in its severity and consists of a range of behaviors or attempted behaviors, and is not necessarily physical in nature. It can occur between strangers or acquaintances, including people involved in an intimate or sexual relationship.

### **Reporting Sexual Misconduct**

Students who believe they have been victims of sexual misconduct should seek help immediately from their parents and/or any trusted adult on campus, including the Headmaster, the Associate Head, a principal, an assistant principal, a dean, a school counselor, a school social worker, a school nurse, or the School Resource Officer. Students should contact the School Resource Officer or call 911 if they need or witness a need for immediate police and/ or medical attention.

Persons may report sexual misconduct verbally or in writing. When reporting an incident, it is helpful to provide as much information as possible, including the following:

1. A description of the event
2. The number of occurrences, with dates and places
3. The names of any witnesses
4. Any documents or other materials that are related to the event.

In addition to potentially violating Thornton Academy's policies, certain sexual activity may also violate the law. In certain circumstances, Thornton Academy may be obligated to report the conduct to DHHS and/or the District Attorney under the state mandatory reporting law. In accordance with Maine law, Thornton Academy will report to DHHS and the District Attorney if it knows or has reasonable cause to suspect that a student under the age of 18 has been abused or is likely to be abused.

Persons may also report a sexual assault directly to the School Resource Officer and/or Saco police. (The phone number for the Saco Police Department is 207-284-4535)

### **Thornton Academy's Response to Sexual Misconduct**

Thornton Academy treats all reports of sexual misconduct seriously with the well-being of its students as the first priority. Thornton Academy will promptly notify the parents of students who are reported to have experienced and/or engaged in sexual misconduct. Following a report of sexual misconduct, Thornton Academy will conduct its own investigation using an internal or external investigator in order to ensure the safety of its campus community and to determine whether disciplinary action is warranted. This investigation is separate from any investigation that might be conducted by law enforcement. Thornton Academy may delay its investigation for a reasonable amount of time to allow for law enforcement to interview witnesses and collect evidence. However, a report of criminal activity to law enforcement will not stop Thornton Academy's investigation process.

### **Requests for Confidentiality**

Thornton Academy cannot honor requests for complete confidentiality because information must be shared in order to conduct an effective investigation and/or to comply with mandatory reporting laws. However, Thornton Academy will treat information it receives regarding sexual misconduct with sensitivity and will only disclose such information on a need-to-know basis. If a reporting party requests confidentiality and/or that Thornton Academy does not investigate, Thornton Academy may still need to investigate the allegations in order to ensure the safety of the entire campus community.

### **Interim and Safety Measures**

The Associate Head or designee shall determine whether interim measures are necessary pending the results of a sexual misconduct investigation. Interim measures may include academic accommodations such as a change to class schedule, residential accommodations, such as a change in housing, and changes to meal time, sports or activities. Interim measures may also include medical or counseling services, a mutual non-contact directive, and/or a voluntary or mandatory leave from school for a period of time.

### **Investigation Process**

Immediately following a report of sexual misconduct, Thornton Academy will conduct its own investigation in order to determine whether it is more likely than not that the reported conduct occurred, based upon a preponderance of the evidence, and whether disciplinary action is warranted. Such investigation may be conducted by a senior administrator, dean, or external investigator depending on the nature of the report. The investigation may include, but is not limited to, interviews of those individuals directly involved in the incident and relevant witnesses, and collecting documents and any other evidence bearing on the incident. More than one interview of student parties and witnesses may be necessary in order to conduct a thorough investigation. Student parties are permitted to have a school counselor or social worker present as support during their interviews. It is Thornton Academy's expectation that students are cooperative when called upon to provide information in an investigation. Refusal to cooperate may result in disciplinary actions up to and including suspension.

Upon completion of the investigation, the investigator will analyze all the evidence and determine whether this policy was violated. The investigator will report to the Associate Head and/or principal, who will make the final determination as to what, if any, remedial action or disciplinary measures should be taken.

The Associate Head and/or principal shall inform the student parties of the decision as soon as possible and explain to the student parties the reasons for the decision.

### **Retaliation**

Retaliation for complaining about sexual misconduct or participating in an investigation or disciplinary proceeding involving a complaint of sexual misconduct is prohibited. Any student engaging in retaliation, including through electronic means or through social media, will face discipline.

### **Abuse of Process/False Complaints**

Because allegations of sexual misconduct are serious and can be damaging to accused persons' reputations, any person who knowingly, maliciously, or recklessly makes a false complaint will be subject to discipline. In addition, because candor and honesty are essential to the investigation and remediation process, they are required of all participants, including any witnesses. Students and employees are expected to cooperate fully in an investigation conducted by Thornton Academy.

### **Additional Resources for Students**

Students may want to speak with adults outside of Thornton Academy for support regarding sexual misconduct. There are several resources in the area for victims of sexual misconduct listed below.

### Science Department

Due to the nature of equipment and activities taking place in Science classrooms, students are required to know these important safety rules, and follow them at all times when in a Science classroom.

- **Basic science room safety rules**
  - No eating. Drinks may be kept in covered containers with belongings not on desks.
  - Behave appropriately in every science classroom. Misbehaving will result in being asked to sit down or, if more serious, to leave and receive a zero for the activity.
  - Never touch any materials or equipment without permission. Items can be more fragile, dangerous, or expensive than they appear.
  - Never sit on desks or lab benches in a Science classroom.
  - Report all accidents and spills immediately.

  - Know how to use the safety shower, eyewash, fire blanket, and first-aid kit.
- **Dress appropriately for laboratory work**
  - Tie back long hair.
  - Do not wear loose sleeves; they can get in the way.
  - Wear shoes with tops.
  - Wear lab aprons as required during laboratory sessions.
  - Wear safety goggles during all laboratory sessions with chemicals, heat, glassware, or by teacher recommendation. Consequences:
    - First offense — 20% on lab
    - Second offense — 0% on lab
  - Wear gloves when using chemicals that irritate or can be absorbed through the skin.
- **Avoid contact with chemicals.**
  - Treat all chemicals as potentially dangerous.
  - Never taste or "sniff" chemicals.
  - When heating substances in a test tube, point the mouth away from people.
  - Never carry dangerous chemicals or hot equipment near other people.
- **Other hazards to avoid**
  - No eating, drinking or chewing gum.

  - Report all accidents and spills immediately.
  - Place broken glass in designated containers.
  - Wash all acids and bases from your skin immediately with plenty of running water.
  - If chemicals get in your eyes, your partner will help you wash them out with the eyewash for at least 15 minutes.

## ACADEMIC SCHEDULING

Students select courses in the spring of the previous year. A “course adjustment period” for full-year, first semester and second semester classes is established annually by the School Counseling Department. During the first week of school, a form for schedule change requests will be emailed to students and parents. All requests must be received by Tuesday, September 10th. Schedule changes will be considered but not guaranteed based on availability.

The following protocols govern course adjustments:

- The student will meet with his/her school counselor to make desired adjustments.
- Changes to the level of core classes will include consultation with teachers and parents.
- No first semester or full-year classes will be added to a student’s schedule after the date listed for the course adjustment period.
- No second semester classes will be added to a student’s schedule after the date listed for the course adjustment period.

At the start of school, students with schedule errors (e.g., lack of a required core class, a schedule reflecting fewer than 5 total credits) will be given priority in the course adjustment period.

### Dropping a class

- A student wishing to drop a class after the course adjustment period must discuss the reasoning for the drop with his/her school counselor.
- The student must obtain approval signatures from his/her parent/guardian and the teacher and return the completed course withdrawal form by the established due date.
- All classes dropped after the course adjustment period is over will result in a “W” on the transcript.
- A school counselor, after consulting the Director of School Counseling, may adjust any of the above protocols in the case of extenuating circumstances.

## **GRADUATION REQUIREMENTS**

**Credits** — The minimum number of credits needed to graduate is 22, of which 15.5 must meet the core requirements. Additional information may be found in the Program of Studies.

**Graduation** — The purpose of graduation is the receipt of a diploma signifying the completion of all high school requirements. Senior activities and the commencement ceremony are for the purpose of celebrating the completion of all high school requirements and the conferring of a diploma. Students who do not meet the graduation requirements will not be allowed to participate in the commencement ceremony. Affected students *may* be able to participate in other graduation activities with the Headmaster's approval.

Thornton Academy considers four years of sequential full-time high school study to be educationally and developmentally appropriate. Therefore, requests for early graduation will not be granted.

## **MAKE-UP POLICY**

Students are responsible for arranging make-ups or extra help with material missed while absent. It is important to note that certain academic experiences such as guest speakers, films, some experiments, field trips and lectures can never be made up. Make-ups must be completed within one week from the day a student returns from an excused absence. Students cannot make up work from an unexcused absence (see the Attendance Policy for more information). Academic makeup takes precedence over detention and other commitments. All school days are make-up days.

## **HONOR ROLL**

A student must take 4 one-credit courses or their equivalent to qualify for the Honor Roll. Any non-weighted course or any aide position (e.g., School Counseling Office aide) must be passed for honor roll consideration but will be excluded in the count of A's, B's, and C's.

- |             |   |
|-------------|---|
| 1st Honors: | A student must receive all A's.   |
| 2nd Honors: | A student must have all A's and B's.                                      |
| 3rd Honors: | A student may have all B's <u>OR</u> no more than one C balanced by an A. |

## **ACADEMIC-RELATED POLICIES**

All academic policies are posted in the MyTA section of the school website.

The policies posted online are the most current.

## **ACADEMIC HONESTY POLICY**

**Preamble:** An integral aspect of preparing students for a changing world involves the development of appropriate and ethical choices with regard to each individual's actions within the community. It is our charge as educators to provide all students with the proper tools to identify improper use, avoid plagiarism and cheating, collaborate responsibly with others, and to appreciate the inherent value in academic honesty. The following policy will guide the Thornton Academy community in adhering to our standards of academic integrity.

**Definition:** Academic Honesty is defined as valuing and demonstrating positive regard for personal integrity and truthfulness, as well as, the intellectual property rights of others.

### **Responsibilities**

Thornton Academy employees will:

- Model and teach academic integrity so that all students are able to produce original work.
- Examples

**Thornton Academy Student Handbook COVID-19 Addendum** can be found on p29

- Share exemplars of original vs. unoriginal work
- Teach how to properly cite the work of others
- Post research and style guidelines on course Moodle pages

Thornton Academy students will demonstrate investment by:

- Using the shared skills and resources provided to create original work. When students feel they are not in a position to produce original work, they will seek assistance from their instructor(s) so they can avoid an infraction.
- Not sharing original work with others for the purpose of providing answers publicly or personally
- Examples
  - Make use of resources provided by faculty and staff posted online
  - Seek assistance from appropriate faculty or support staff

Parents will:

- Support students and staff in creating a community where students will create original work.
- Examples
  - Guide students in taking advantage of academic resources provided by faculty and/or posted online
  - Communicate with staff when a student is struggling with an assignment
  - Support the faculty in helping students recognize the importance of this policy and the value of academic honesty

### **Documentation**

If a teacher determines there is sufficient evidence of academic dishonesty on the part of a student, the following actions will be taken:

1. The teacher will discuss the incident with the student(s) involved.
2. The teacher will complete the Infraction Form and provide a copy to the student and to the Academic Honesty Committee chairperson.
3. The teacher will notify the student's parent(s)/guardian(s) to discuss the infraction and subsequent consequences.
4. If the student chooses not to appeal, the Academic Honesty Committee chairperson will record the incident in PowerSchool and retain the documentation.

### **Range of Consequences**

Academic Honesty infractions are cumulative during the student's entire attendance at Thornton Academy. For a first offense, a teacher will impose one or more of the following consequences:

- Require the student to resubmit the assignment for a modified grade
- Assign a reduced grade or zero (0) for the assignment
- Assign a before or after-school teacher detention

For subsequent or multiple offenses, a teacher will impose one or more of the above *AND* one or more of the following consequences after consulting with an administrator:

- Reduce a student's quarter grade by a maximum of 10 percentage points
- Revoke AP or honors weight for a course
- Notify post-secondary institutions, including academic or other bodies
- Retract letters of recommendation, or other awards and commendations
- Recommend an appropriate course placement/level change

**Consequences may be retroactive for a completed course in which work has been inappropriately shared.**

### **Appeals**

It is the responsibility of the student to demonstrate why the allegation of academic honesty should be overturned. A student may exercise their right to appeal the allegation by following the process below:

1. Within 5 school days of being notified of the allegation, the student must return the completed Infraction Form to their dean.

2. The student must attach a written statement and substantiating documentation that demonstrates grounds for appeal.
3. The Appeals Committee, consisting of two members of the faculty and a dean, will consider the documentation and decide to either uphold or dismiss the allegation. The committee may request additional information from appropriate parties.

The student and teacher will be notified of the committee findings in writing. The decision of the Appeals Committee on these matters is final.

### **TECHNOLOGY: ACCEPTABLE USE POLICY**

Thornton Academy is a community built upon trust. This trust demands that our technological resources be used for educational purposes in meeting our mission. We also believe that it is about everything and everyone. Therefore, our use of technology must be as open as possible while providing sufficient safeguards. Our rules are based on three principles: respect oneself, respect others and respect property, so the concept of personal responsibility is important to the school and to the use of any of the technology resources available and/or used on campus.

In order to achieve our mission, meet educational objectives, enhance communication between faculty, staff, students and parents, encourage collaboration and provide for the betterment of the community, Thornton has integrated the use of technology assets across the curriculum. Many courses maintain a web-based component or require computer or Internet access to complete lessons that help realize our educational objectives. We understand that access to the Internet may make available material of questionable educational value and that access to such material is impossible to control totally even with a degree of filtering. But we firmly believe that the value inherent in the total resources available far outweighs the possibility that some members may intentionally or unintentionally access material that conflicts with Thornton's educational goals. Therefore, use of technology resources including the Internet requires the personal responsibility to act in a respectful, ethical, unselfish, efficient and legal manner.

The use of Thornton Academy's technology resources and access to the Internet is a privilege that provides wonderful educational benefits as well as new responsibilities. Depending on the circumstances and degree, any inappropriate use of our technology resources, remote learning environments, the TA network or Internet would result in appropriate consequences ranging from a warning to legal action. Such rules also apply to personally owned technology devices used on the Thornton Academy campus. A sampling of the use of technology that violates the spirit or intent of Thornton Academy's Acceptable Use Policy follows. Any action not explicitly prohibited below should not be equated with tacit permission. Behaviors inconsistent with Thornton's AUP include but are not limited to:

- Circumventing TA's web filtering system
- The use of proxies to access restricted web-pages
- Using on-line chat, mail, social networking, or VOIP to harass, intimidate or libel
- Sending hate mail, chain letters or use of discriminatory remarks
- Using any electronic device or the web to plagiarize or cheat
- Sharing or misusing IDs and passwords
- Installation of software or attempts to access private servers or databases
- Physical damage to equipment
- Violating copyright or other intellectual property laws or licensing agreements including MP3s, videos, podcasts, etc.

The Academy strictly prohibits screenshots, pictures, audio/video recording and distribution of any remote or in person educational experience.

The Academy reserves the right to deny, revoke or suspend, without prior notification, specific user privileges and/or to take other disciplinary action, including suspension or expulsion with loss of tuition (if applicable) from school, for violation of this policy.

Students, and where appropriate parents/guardians, agree to engage in remote educational experiences in a quiet, private area to the extent practicable given the circumstances, in order to minimize background noise and distractions and to protect the integrity of student engagement as well as student confidentiality

Parents/guardians and other household members who normally are not privy to day-to-day classroom and group service discussions agree to respect and keep confidential any personal or private information inadvertently discovered about other students due to proximity to remote education.

The Academy will deem what is inappropriate use and the consequences of such misuse; the decision will be final. User members should understand that school and law enforcement officials may access personal files at any time and that e-mail is not considered private communication.

The Acceptable Use Policy will be explained and clarified to employees and students at the beginning of, and as needed, throughout each school year. The August parent mailing will include a copy. The policy is reviewed annually. The basis for this policy is that of accepting the personal responsibility to use technology resources including the Internet in an appropriate and respectful manner.

### **EXTRACURRICULAR ACTIVITIES**

Thornton Academy offers a wide variety of supervised extracurricular activities and encourages all students to participate. All notices of club meetings, social events and general information are emailed to students daily.

Students participating in any extracurricular activities are expected to conduct themselves in an appropriate manner and to follow the instructions of advisors, coaches, and/or chaperones. Improper conduct may result in a student being prohibited from participation. Students must attend school or have an excused absence on the day of any extracurricular activity in order to participate in the activity. Participation in school activities and function may be revoked if a student's behavior and/or attendance are unsatisfactory. Attendance at school functions such as dances, athletic contests and other co-curricular activities is a privilege.

## **ATHLETIC POLICIES**

The complete Upper School Athletic Handbook and the athletic participation form are posted

**Thornton Academy Student Handbook COVID-19 Addendum** can be found on p29

at the MyTA section of the school website.

**Eligibility Requirements** — Since Thornton Academy participates in athletic competitions under the auspices of the Maine Principals Association, eligibility requirements for athletics meet MPA requirements. To be eligible to participate in athletics, a student must have passed (A-D & P) the equivalent of four one-credit subjects in the first, second and third quarters. In the fourth quarter, a student must pass the equivalent of four one-credit subjects and accumulate four credits toward graduation in order to be eligible to participate the following fall.

A student who is ineligible may practice with the team, but will only be granted eligibility to fully participate in athletic competitions (games, meets, etc.) if they receive passing grades (A-D & P) in the equivalent of four one-credit subjects at the progress report date following the quarter that initially deemed them ineligible.

Progress report dates are as follows:

- Q1 = 9/15/21 (2 weeks)
- Q2 = 12/3/21 (4 weeks)
- Q3 = 2/18/22 (4 weeks)
- Q4 = 5/6/22 (4 weeks)

The following additional requirements also apply for students participating in athletics:

1. Students must be under 20 years of age.
2. A student's eligibility to compete at the varsity level is limited to the first eight semesters following the date that he or she enters ninth grade.
3. Extensions of this rule must be approved by an external review board (the MPA Eligibility Committee).
4. A student transferring from one school to another without a corresponding change of address by his or her parents/guardians may only become eligible to participate in interscholastic athletics if an MPA Transfer Waiver Approval Form is properly filed with the MPA office, with the student, parents/guardians, sending principal and receiving principal all certifying that the transfer was not primarily for athletic purposes.
5. A student declared ineligible due to the transfer rule shall be eligible to participate only after being in attendance at the new school for three hundred sixty-five (365) consecutive calendar days, which will begin with the first day of attendance at the new school.

**Other athletic requirements:**

- Before participating in athletics, students and their parents/guardians must read the Athletic Policy and sign a Thornton Academy Waiver Form and Emergency Release Form, which must be returned to the Athletic Director.
- Thornton Academy requires students to have a physical examination before beginning any school sport. The required forms are available in the nurse's office, the Main Office, and online ([www.thorntonacademy.org/athletics](http://www.thorntonacademy.org/athletics)). Completed forms must be submitted to the Nurse's Office for clearance. Substitute notes and incomplete forms will not be accepted. Athletes must also be current with all immunizations.
- All athletes are required by Thornton Academy or the Maine Principals; Association to submit evidence of having passed a physical exam with a medical history every other year between sixth grade and graduation. Athletes may not participate until the school nurse receives physical exam forms signed by a physician AND a health history form signed by the athlete and parent/guardian. The health history form must be submitted each academic year with any changes noted. Health history forms will be reviewed annually by the school nurse, who will consult with the school physician if any conditions arise warranting the need for another complete physical exam before proceeding with the upcoming athletic school year. Students who have sustained major injuries or medical illnesses should have a physical exam before participation resumes.
- Any athletic equipment that is issued to a student becomes that student's responsibility. Students who lose or damage school-issued equipment will be required to pay for it.
- Any violation by an athlete of Thornton Academy behavior expectations delineated in this Handbook may result in suspension from athletic participation or removal from a team.

## HEALTH

**School nurses:** Students who become ill during school should see a school nurse. The nurse will determine whether a student should be dismissed or can return to class. The nurse will notify parents/guardians if a dismissal is needed for health reasons. Please refer to the Thornton Academy [Communicable Disease Policy](#) for specific information. A student who has an accident either on school grounds or at any school-sponsored event should report the accident immediately to a Thornton Academy staff member. An Accident Report should be completed and kept on file in the nurse's office.

**Medication:** It is the policy of Thornton Academy that only essential medications will be administered during school hours. Whenever possible, the schedule of medication administration should allow a student to receive all prescribed doses at home. At least the first dose of medication should be administered at home prior to being administered in the school setting.

1. If it is necessary for a student to take medication during school hours, the school nurse or designee(s) will administer the medicine in accordance with the following:
  - a. A permission form (*Thornton Academy Release to Administer Medication*) must be completed and signed by the parent or legal guardian.
  - b. Documentation of a physician's prescription is required.
  - c. The medication must be sent to school in a **pharmacy labeled container** with the name of the medication, date, dosage and the name of the student who is to receive it.
  - d. Changes in the medication administration will be made according to a physician's prescription **only**.
  - e. Parents /guardians are responsible for picking up the student's medication(s) at the end of the school year or the student's last day of enrollment. Any medication that is left at school seven (7) days after the student's last day will be discarded.
2. Students are not allowed to carry prescription or over-the-counter (OTC) medication at school. An exception may be made for emergency medications. Parents/guardians are responsible for providing emergency medications including, but not limited to inhalers, Epi-Pens, and diabetic medications.
3. Parents or legal guardians must complete the following annually:
  - a. A *Permission for First-Aid and Emergency Treatment* form must be completed to allow the nurse to administer OTC medications.

If a student does not comply with the safety measures in place, along with any applicable disciplinary action, that student will be asked to leave campus and remain off campus.

### *Remote learning expectations*

Thornton Academy is not offering a remote learning choice. When Maine CDC/DOE or school policy indicates a need for quarantine for more than 3 school days, a student will be approved to access synchronous remote instruction. A student may participate in remote instruction the day after the decision to quarantine is discussed with the parent/student, however communication to the teacher(s) is necessary and appropriate preparation is required. This may delay the initiation of access to remote instruction by up to 3 days, pending the timing of the notification.

- This potential delay is based on several factors:
  - timing of the notification to the teachers
  - the type of lesson(s) planned for the individual classes and the ability for the teacher to recreate a lesson accessible to remote learners, i.e., an assessment, lab or other group work may impact remote access
  - ability to prepare the technology necessary for the student to access remotely

The following will be expected of students when participating in classes remotely. Failure to comply will result in Unexcused Absences or Disciplinary Procedures.

Students will have cameras on during class, and the camera will be positioned so the student's face is clearly visible. Use of virtual backgrounds is encouraged.

1. Students should be located in a productive learning environment, such as at a table or desk.
2. Ensure the lighting is adequate and do not have distracting backgrounds.
3. Class time should be just that—Class time. Students should not be engaged in other activities, such as work or recreation during class.
4. Microphones should be muted unless the teacher asks students to unmute.
5. Student's sound should be on, so they are able to hear and respond to the teacher.
6. Appropriate clothing should be worn.
7. Students should check their Google Classrooms prior to class for specific instructions.
8. Students should be "Live" (on camera and connected to the class) at the beginning of class, and should remain "Live" until dismissed by the teacher.

9. Students should check email frequently during the school day. When a teacher contacts you, respond promptly.
