Fall 2021 Enrichment Classes

It has been so wonderful greeting students as they return to the building, and we are excited to offer some incredible extracurricular activities after school! Now more than ever we know that kids need the opportunity to interact, develop new skills, or just run off some energy in a safe and healthy environment.

With COVID-19 still having a significant impact on our daily lives, we will be running a lighter selection of Enrichment Class options, limited to those offerings that are able to safely take place. Classes may look a little bit different this year, but they are all designed with our students' best interests at heart. With the COVID-19 situation moving forward, we will look at adding and changing our classes based on feedback from our families!

As always, please let us know if you have any questions or concerns. We're looking forward to a wonderful year!

### Will Cache-Cache be offered this year?

We are so excited to welcome back cache-cache this year! A hide-and-seek game and student favorite played at Sacred Heart schools across the globe, you can find more info on cache-cache on page 5.

### What do students do in the time between the end of school and start of classes?

Students who are enrolled in classes after school will go to the bathroom, wash hands and get a snack during the time in between school ending and class starting. You do not need to register for Extended Day to utilize this time.

### How will Enrichment Classes safeguard against COVID-19?

All COVID-19 protocols at Academy of the Sacred Heart will remain in effect during Enrichment classes. Students will be required to wear masks while indoors and will have the option to remove masks if outside and practicing social distancing. Appropriate hygiene practices will be followed and routine cleaning of the space and equipment will take place daily.

### If I enroll my child in a class, do I also need to sign them up for Extended Day?

If you are planning on picking up your child as soon as their class ends, you do not need to sign them up for Extended Day. Children will be escorted through the East Circle doors at the end of class to meet their parents. If you will **not** be picking your child up when their class ends, please also sign them up for Extended Day. ECP families do not need to sign their children up for Extended Day services as it is a separate program that applies to Primary and Lower School families!

### Do I need to send my student with anything special for Enrichment Classes?

Students will be provided with a snack before all classes begin and should plan on bringing their water bottle to class. Dance apparel requirements are listed in each class description; please make sure dancers bring their clothes with them each week to class. Students are welcome to bring a change of clothes for sports, but it is not required. Otherwise, school clothes and masks are appropriate for Enrichment Classes.

# Monday & Tuesday Classes

## Amazing Athletes Toddler 2's & Young 3's

This **amazing** program empowers children by using sports as a catalyst to engage their inner strengths and abilities so they confidently pursue an active lifestyle through each stage of development. Little athletes learn new sports skills each week and have a BLAST!
