

Portola Middle School PTSA  
Orange, CA

September 8th, 2021

Hello Matador Teachers and Staff,

We hope this reaches you well. As we kick off the 2021-2022 school year with continuing COVID-19 regulations, it's just as important to keep pushing through with our collaborative strength, resilience, and determination because better days will come.

Before anything else, we'd like to give a shoutout to all our teachers and staff at Portola Middle School for their continuous care and effort to provide a safe and welcoming environment for our students and families through online and/or in-person learning settings this past year and a half. It's important to maintain our support for one another, which is why the **Parent Teacher Student Association** (PTSA) will continue to serve our school community and maintain strong communication among everyone. The PTSA will keep offering any support and resources needed to our students, teachers, and parents through a series of virtual workshops during our monthly general meetings via Zoom. The purpose of these meetings/workshops is to share local services and programs, from free food assistance to mental health resources to academic support, and provide contact forms to reach out to other organizations that collaborate with ours.

To help spread the word about our continued commitment to serving everyone in our Matador community, we would like to invite you to join our PTSA. With your involvement, we can collectively work together with our common goal to provide numerous resources and opportunities for our students throughout their middle school education. We need your support!

Anyone can join by either 1) filling out a Membership Form at the front office or 2) completing an online process through our e-membership website.

For those who would like to fill out a physical form and pay with cash or check:
