This Agreement is negotiated under sections 10-153a through 10-153g of the Connecticut General Statutes, as amended, in order (a) to fix for its term, the salaries and other conditions of employment provided herein, and (b) to encourage and provide for effective and harmonious working relationships between the School and the Association in order that the cause of public education may best be served.

In entering into this Agreement, the Board and the Association acknowledge and agree that:

1. The mission of the School, as a charter school operating within the State of Connecticut, is unique.

3. This Agreement is designed to enhance, and not impede, the School’s ability to carry out its mission.
4. The School’s mission and programs will evolve over time, and it is important that this Agreement be flexible enough to permit changes in the mission and programs of the School.

ARTICLE 1

Notwithstanding the foregoing, if a DSAP holder becomes certified as a teacher and is retained continuously by the Board as an employee after receiving such certification, with no break in service, then the individual shall be credited with seniority and length of service for all purposes under this Agreement, retroactive to the first date of employment by the Board.
 2. The Board shall have the right, in its sole discretion, not to renew and/or to terminate the employment of a DSAP holder, and the DSAP holder shall have no right to file and/or pursue a grievance under this Agreement with respect to such action.

ARTICLE 15
LEAVE PROVISIONS

- A. The Board and Association agree that the best interests of students are usually served when they are working with their regularly assigned teachers. The parties

also agree that upon occasion, either due to personal health, opportunities for professional growth, or other extenuating circumstances, both the interests of the teachers and their students are best served by a teacher's temporary absence. The following leave provisions have been mutually agreed in recognition of the desirability of such temporary absences. However, such absences should occur only when necessary.

Approval for such leave shall be at the discretion of the Executive Director; however, requests for such leave will not be unreasonably denied. Such leave shall be documented as either sick, personal or any other authorized leave.

- B. In the event that any provision of this Article is inconsistent with any applicable statute concerning family and medical leave, the provisions of the statute shall be controlling.

 - 4. Personal (defined as such matters that are private and sensitive)

Personal leave may be approved only when it is not reasonable for the required activity to have been scheduled outside of school hours. Personal leave may be taken in one-hour increments. Personal leave will not be granted during the first or last week of the school year unless there is a medical emergency, including medical emergencies within the employee's family, or unless approved by the discretion of the Executive Director. Leave under this paragraph shall not be used to extend holidays or vacation periods. The type of reasons for personal absence shall be disclosed on the Request for Personal Leave form and stated with clarity.

Use of personal leave shall require three (3) business days' notice and prior approval. In cases of emergency, as much advance notice as possible is required.

In order to ensure adequate coverage, no more than two employees may use a personal day on any given day, unless approved by the discretion of the Executive Director. In the event more than two employees wish to take the same day, personal days will be awarded on a first come, first served basis.

Sick leave may be accrued up to a maximum of one hundred fifty (150) days. Sick leave days used by a teacher in any contract year shall first be charged to the teacher's 15-day sick leave allotment for that year, prior to any charge against the teacher's accumulated sick leave. Each sick day shall be equivalent to the number of hours in the work day (7.5 hours).
 - 2. For extended absences, or in cases of suspected misuse of sick leave (such as, but not limited to, Monday/Friday and or Friday/Monday or other suspicious absence patterns), the School may require proof of illness or an examination by a Board appointed physician.
 - 3. In the event of extenuating circumstances, a teacher who has exhausted his or her accumulated sick leave may apply to the Board for an advance of up to fifteen (15) days of sick leave from the teacher's sick leave allotment for the following year. Request for such leave for catastrophic illness or long-term illness shall not be unreasonably denied. Decisions by the Board regarding requests under this section shall not be subject to the grievance procedure.

1. Purpose: The Sick Leave Bank shall be established to provide members with additional paid sick leave when such members have exhausted their sick leave accrual due to personal catastrophic illness and/or injury. A member shall provide competent medical certification of said illness or injury. Participation in the Sick Leave Bank is voluntary.

Procedures and Administration

5. The Sick Leave Bank shall be administered by a Sick Leave Bank Committee comprised of two (2) members of the Administration (the Executive Director and the Director of Human Resources) and two (2) officers of the Association (the President and one other officer of the Association) for a total of four (4) members.
6. Requests for sick leave: A member shall submit, on written application, a request for additional paid sick leave days with sufficient medical documentation as required by the Sick Leave Bank Committee.
7. The Sick Leave Bank Committee shall review applications for sick days according to the criteria below and shall award sick days when a majority of the committee agrees to do so.

Limits & Restrictions

8. A member shall not be eligible for any paid sick leave from the Sick Leave Bank if the member has a disability claim pending; if the injury is subject to worker's compensation benefits; or if the member is eligible for, or has or will seek, relief in any state or federal court or personal injury mediation and or/arbitration process or other civil proceeding.
9. A member shall not be eligible for Sick Leave Bank days for maternity leave.

10. To be eligible for Sick Leave Bank days, the applicant must be able to return to work as certified by competent medical authority. The Sick Leave Bank Committee reserves the right to request additional information through a medical assessment of the committee's choice.
11. A member must exhaust all accumulated sick leave benefits before using Sick Leave Bank days and shall not be eligible for any other paid leave as described above. No member shall receive more than 12 weeks (60 days) from the Sick Leave Bank in any school year.

If any teacher desires an extended leave of absence for childrearing purposes (beyond any period of disability), the teacher shall request such leave in writing to the Executive Director no later than sixty (60) days prior to the anticipated commencement of such leave. Extended leave, if granted, shall be without pay.
2. The teacher may continue insurance benefits during the extended leave at his/her own expense, except as provided otherwise by any applicable statute regarding family and medical leave.
3. While a teacher is on leave under FMLA, the teacher shall be required to use any accrued sick leave and personal days concurrently during the period that is covered under the FMLA in order to receive remuneration during such period of time; the remaining period of time shall be unpaid leave.

J. Extended Leave of Absence

The Executive Director, in his/her discretion, may approve requests for unpaid leave for up to one (1) year for worthwhile programs of independent work which would benefit the ISAAC School and enhance the professional growth of the teacher, subject to the following conditions:

1. Not more than one teacher of the entire teaching staff shall be absent on such leave at any one time.
2. Teachers applying for such leave must apply to the Executive Director prior to December 1st for the following academic year. It is understood that the deadline of December 1st shall be waived at the discretion of the Superintendent when fellowships, grants or scholarships awarded later in the year make such a deadline unreasonable.

3. Applicants shall provide the reason for applying for such leave and submit a detailed outline of the program to be pursued, including letters of acceptance and any other pertinent information.
4. A teacher on such leave shall be entitled to return to a position within his/her certification upon return from leave. Such teacher shall be returned to the salary level he/she was on at the time of the leave; however, he/she shall not accumulate seniority. A teacher under this provision may elect to participate, at his/her own expense, in any of the health insurance plans provided to active, unionized, and certified employees employed by the Board.
5. Disputes regarding the Executive Director's approval process under this Article shall not be subject to the grievance/arbitration procedure set forth in this Agreement.

- B. Definitions
1. The term “grievance” shall be defined as (a) a written complaint signed by an employee stating that there has been a violation, misinterpretation, or misapplication of a specific provision or provisions of this Agreement; or (b) a written complaint signed by an employee stating that there has been a violation of a procedure contained within the School’s teacher evaluation plan. Grievances described in (a) above may be submitted to arbitration in accordance with Level 3 of this procedure. Grievances described in (b) above may be processed through to the Board at Level 2, but may not be processed beyond that level.
 2. The term “teacher” shall mean any individual(s) represented by the Association as defined in Article 1, Section A.
- C. Time Limits
1. Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at each step shall be considered as a maximum. The time limits specified may, however, be extended by written agreement of the parties in interest.

2. If a teacher does not file a grievance in writing with the Executive Director within twenty (20) days after he/she knew or reasonably should have known of the act or conditions on which the grievance is based, then the grievance shall be considered to have been waived.
3. Failure by the grievant teacher at any level to appeal a grievance to the next level within the time limit specified in the formal procedure shall be deemed to be acceptance of the decision rendered at that level.
4. Failure by the School to respond to a grievance within the time limits set forth in this grievance procedure shall entitle the Association to proceed to the next level of the grievance procedure.

D. Informal Procedure

If a teacher feels that he/she may have a grievance, he/she shall first discuss the matter with the Executive Director in an effort to resolve the problem informally.

E. Formal Procedure

1. Level One – Executive Director
 - a. If a grievant teacher is not satisfied with the outcome of informal procedures, the teacher and/or the Association may file the grievance in writing with the Executive Director, within the time limits set forth in Section C.2 above.
 - b. The Executive Director shall, within ten (10) days after receipt of the referral, meet with the grievant teacher and with representatives of the Association for the purpose of hearing the grievance.
 - c. The Executive Director shall, within seven (7) days after the hearing, render his/her decision and the reasons therefore in writing to the grievant teacher, with a copy to the Association.
2. Level Two - Board of Directors
 - a. If the Association is not satisfied with the disposition of the grievance at Level One, the Association may, within five (5) days after receipt of the Level One decision (or within five days after the deadline for such decision, whichever comes first), file the grievance with the Board.
 - b. The Board (or its designated committee) shall, within twenty (20) days after receipt of the grievance, meet with the grievant teacher and with representatives of the Association for the purpose of hearing the grievance.

- c. The Board (or its designated committee) shall render its decision and the reasons therefor in writing to the grievant teacher, with a copy to the Association, within ten (10) days following the hearing of the grievance. The decision of the Board shall be final in all grievances.

3. Level Three - Arbitration

- a. If the Association is not satisfied with the disposition of the grievance at Level Two, then the Association may submit the grievance to arbitration by so notifying the Executive Director in writing within ten (10) days of the receipt of the Level Two response or the deadline for such response, whichever occurs first. The designated representatives of the School and the Association shall, within five (5) days after such written notice, attempt to select by mutual agreement a single arbitrator who is an experienced and impartial person of recognized competence in labor arbitration. If the parties are unable to agree on an arbitrator within five (5) days, the Association shall immediately submit the demand for arbitration to the American Dispute Resolution Center, Inc. (ADRC) in accordance with its administrative procedures, practices and rules, with a copy to the Executive Director. Alternatively, if the parties mutually agree, the Association shall submit the demand for arbitration to the American Arbitration Association (AAA) in accordance with its administrative procedures, practices, and rules.
- b. Any arbitration proceedings regarding the grievance shall be conducted in accordance with the labor arbitration rules of the ADRC or the AAA, as applicable.
- c. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law which violates the terms of this Agreement. The arbitrator shall have no authority to add to, delete from or otherwise modify the terms of this Agreement. The decision of the arbitrator shall be submitted to the School and to the Association and shall be final and binding, except as otherwise provided by law.
- d. The costs for the services of the arbitrator shall be borne equally by the School and the Association.

F. Rights of Teachers

1. No reprisals of any kind shall be taken by the Board, the Association, or by any member of the administration against any participant in the grievance procedure by reason of such participation.
2. Any grievant may be represented at any level of the grievance procedure by the Association.
3. The Association is the only party who may file an unresolved grievance to Level Two (the Board of Directors) or Level Three (Arbitration).
4. It is understood that during and notwithstanding the pendency of any grievance, teachers shall continue to observe all assignments and rules and regulations of the School until such grievance is fully resolved.

G. **Obligation of Teachers:** This is the official mutually agreed upon procedure by which teachers register grievances and teachers will proceed exclusively in accordance with this procedure.

H. **Sharing of Information.** Both the School and the Association agree to provide each other with relevant information concerning grievances, in accordance with the provisions of the Teacher Negotiation Act.

ARTICLE 21
SEVERABILITY

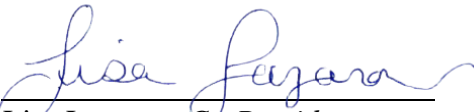

In the event any provision of this Agreement is found unlawful by a court of competent jurisdiction, the remainder of the Agreement shall continue in full force and effect. Upon issuance of such a decision the Board and the Association shall immediately negotiate a substitute for the invalidated provision.

ARTICLE 22
DURATION

This Agreement shall take effect on July 1, 2022 and remain in full force and effect through June 30, 2025.
