

# Walnut Street Elementary

September 14, 2021

Dear Parents/Guardians,

Welcome to the 2021-2022 school year.

Walnut Street Elementary, having high expectations and accountability for all, is committed to a continuous learning ethic that promotes student achievement and prepares students to be career and college ready.

We are excited to be back and to serve our students and families. We are a school of approximately 320 students and 50 diverse staff members providing educational services for kindergarten through sixth grade including the William Penn School District's Emotional Support Program.

We are guided by the William Penn School District's Focus Forward Plan and our PBIS mantra R.O.A.R (Respect Ourselves and Others, Overcome Obstacles, Act Responsibly, Remember and Demonstrate Self-Control).

Students will meet success as we all work toward excellence.

We look forward to a fruitful partnership with our school community.

Sincerely,

Walnut Street Elementary
