

## Parking

Directions: Culver Academies is located at 1300 Academy Road- Culver, IN 46511

From the north: IN-17

from the south: IN-117 or IN-17

From the east: IN-10

from the west: IN-10

**Again this year!!** IN-10/US-31 intersection coming from the south will not be the best way to go unless you are coming very early in the morning. Another route to go if coming from the south is US-31 to IN-110/IN-117 or IN-17 to IN-10. *(when leaving Invite and going east on IN-10 and north on US-31, you might turn left on Linden Rd which right angles into 16th Rd - that intersection turning north with a bus or car works much better since there is much less turning traffic than at IN 10-US 31 intersection)*

**Bus drivers may also drop off team @ Logansport Gate and then park behind Chapel (may save time in backups if coming from the west).**

Please do not park along IN-10. Note the “P” notations on the campus map. Parking will be very tight as usual, but the early-bird teams get the **bus spots** behind the Chapel. No bus **“drop off & leave”** in the area behind the Chapel. If the bus driver desires to leave after dropping off athletes, then follow “B” directions below.

- A. Bus parking in grass lot north of Chapel (#37)–enter through Main Gate off IN-10
- B. If just dropping off team & bus is leaving, **or you get in late**, travel in from the west on Academy Road, drop off team @ Logansport Gate (#14 on map & short walk to check-in area). Driver may then go & eat somewhere or park at Woodcraft camp & then move to Chapel parking early afternoon after some teams have departed from that lot.
- C. If arriving after 8:15 am, plan on possible longer traffic delays on IN-10 moving into parking locations. The area south of the Chapel will be blocked off for the meet – 1<sup>st</sup> race 8:40 am.
- D. Fans may park in:
  - a. handicap parking through the Main Gate & in lot north of #38 building (until it is full)
  - b. lots by soccer/tennis (#42, #43)
  - c. a lot at the corner of IN-117 and IN-10
  - d. in areas on south & north sides of the road near the equestrian facility (#39, #40, #44)
  - e. parking west of baseball field – along Sycamore Road & in lots
  - f. Some parking available on North Terrace (near #21)
  - g. As long as there isn't too much rain invitational week, we will open up parking on the east end of the parade field in the middle of the course (for those that know the course, near 1k & 4k points and south of the track/football field). So, if you have fans coming in from the east (IN-10) and south (IN-117) the entry to this parking area will be off IN-117 southeast of the track, they can park closer than they would north of IN-10 or in the soccer/tennis parking area.
  - h. the lot near beach lodge at the Culver Town Park (819 East Lakeshore Drive) & walk east through woods trail (paved) toward campus – about 800 meters from the start of the course
