**Unionville-Chadds Ford School District
Administrator Compensation Plan
July 1, 2021 - June 30, 2025**

In accordance with Section 1164 of the Public School code of 1949, as amended (24 P.S. S 11-1164), the Board of the School Directors (Board) of the Unionville-Chadds Ford School District (District) adopts the following as its Administrator Compensation Plan (Plan):

ARTICLE I- STATEMENT OF PURPOSE

The Board recognizes the importance of maintaining an effective Management Team to strengthen the administration and educational programs of the District and to establish and improve communications, decision-making, conflict resolution, and other relationships among members of the Team.

ARTICLE II- TERM AND DEFINITION OF ADMINISTRATOR

2.01- **Term.** The term of the Plan shall begin on July 1, 2021 and shall be in force and effect until June 30, 2025. If, by mutual agreement, both parties agree to modify certain items of the plan prior to June 30, 2025, it is not the intent of this plan to prohibit such modifications by the parties.

2.02- **Definition of Administrator.** "Position" or "administrator" means "School Administrator" as defined in Section 11-1164(a) of the Public School code of 1949, as amended. That means any employee of the District below the rank of District Superintendent, Assistant District Superintendent, but including the rank of First Level Supervisor, who by virtue of assigned duties is not in a Bargaining Unit of public employees created under the Public Employee Relations Act. While the definition shall include Principals, it shall not apply to anyone else who has the duties and responsibilities of the position of Business Manager or Personnel Director.

Additional positions can be added with formal action of the Board.

ARTICLE III- SALARIES

3.01- **Salaries.** It is agreed that administrative salaries will increase as follows:

- 3.5% July 1, 2021 through June 30, 2022
- 3.5% July 1, 2022 through June 30, 2023
- 3.0% July 1, 2023 through June 30, 2024
- 3.0% July 1, 2024 through June 30, 2025

Salaries may be reviewed by mutual agreement during the life of the plan in order to address marketplace variables and the compression factor. Compression exists when teacher salaries near or surpass administrative salaries resulting in the inability to recruit or retain administrators. In the event the District experiences a material change in its funding from the state, or the Commonwealth modifies or rescinds Act 1 of 2006, the parties will re-open salary determination in any subsequent year following such changes to funding.

ARTICLE IV- SEVERABILITY

4.01- Severability. If any provision of the Plan shall for any reason be held invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall be construed, as is the invalid, illegal, or unenforceable provision had never been contained in the Plan. The plan constitutes and contains the entire administrator compensation plan and supersedes any prior plans and discussion, if any.

ARTICLE V- BENEFITS/LEAVES

- 5.01- Vacation Leave.** This section applies to Twelve Month Administrators (260 days) after one year of service.

A maximum of 10 days may be carried over to the following year. Carry over days shall not accrue from year to year. Upon termination of employment, the school district shall make a non-elective employer contribution into the 403(b) account of each eligible administrator which shall equal the per diem value of each accrued but unused vacation day, subject to the applicable contribution limits for 403(b) plans. The administrator shall not have the option to receive this benefit as cash.

5.02- Holidays. Twelve per year- Independence Day, Labor Day, Thanksgiving Day and the day following, the day before Christmas, Christmas Day, New Year's Day, Martin Luther King's Day, President's Day, Good Friday, Memorial Day and one floating day. When a holiday falls on a Saturday, the day before will be considered the holiday. When a holiday falls on a Sunday, the day after will be considered the holiday.

5.03- Sick Leave. The sick leave provisions of the School Code shall be interpreted to apply to absences due to illness in the immediate family- spouse, parents, and dependent children. ARTICLE VI- BENEFITS/INSURANCES

6.01- **Term Life Insurance.** Each administrator will receive term life insurance coverage equivalent to two times his/her annual salary. A retired administrator may continue, at his own expense, the term life insurance coverage until age 65, if the carrier permits.

6.02- **Medical Insurance**

FOR ACT 93 EMPLOYEES HIRED PRIOR TO JULY 1, 2014:

Medical/Hospitalization insurance coverage, equivalent to Blue Cross Personal Choice C4/F4/O2 or Keystone Direct C2-F2-O2 (“base plan”), shall be provided by the district for each administrator and eligible dependents (if the administrator elects dependent coverage). The District shall pay 87.5% of the premium for the selected coverage.

An Administrator has the option of selecting Personal Choice 1020/80/50 at 93% employer premium or the High Deductible Plan with Health Savings Plan (HSA) at 100% employer premium. Employees participating in the High Deductible Plan will receive HSA employer contribution of \$900 single; or \$1,800 for employee plus one dependent, divided over two payments (July/January) for 21-22 SY.

Working Spouse Provision: Working spouses will be ineligible for benefits if the spouse has creditable and affordable coverage from another taxing authority, educational facility or institution (including charter schools, colleges, universities, etc.), or an institutional healthcare provider (hospital, nursing home, rehabilitation center, etc.).

FOR ACT 93 EMPLOYEES HIRED AFTER JULY 1, 2014:

Medical Plan: Any Act 93 employee hired after July 1, 2014 who is eligible for benefit coverage will be provided coverage under the Personal Choice 1020/80/50 Plan. The District will pay 93% of the premium for July 1, 2021 through June 30, 2025.

Employees hired after 7/1/14 may ‘buy up’ to the Personal Choice C4-F4-O2 Plan, or the Keystone C2-F2-O2 Plan by paying the difference between the Personal Choice 1020/80/50 Plan and the premium of the buy-up plan selected. This expense would be in addition to the employee premium contributions for the Personal Choice 1020/80/50 Plan.

An Administrator has the option of selecting the High Deductible Plan with Health Savings Plan (HSA) at 100% employer premium. Employees participating in the High Deductible Plan will receive HSA employer contribution of \$900 single; or \$1,800 for employee plus one dependent, divided over two payments (July/January) for 21-22 SY. The HSA contribution will be reviewed annually and is subject to change to match the UCFEA Collective Bargaining Agreement HSA contribution.

Tobacco/Nicotine Surcharge on Benefits: All Act 93 employees and their participant spouses/children will be subject to a surcharge of 15% of their annual composite premium participation rate for medical and Rx coverage if any participant under the employee's group coverage is a nicotine user. Employees and their family participants in the plan must certify annually whether or not they use any tobacco products.

In addition, the United Concordia/Concordia Flex Orthodontic Treatment Plan or equivalent shall apply to all employees electing dependent coverage. In addition, the District shall pay 87.5% (for administrators hired prior to 7/1/14), and 82.5% (for administrators hired after 7/1/14), of the premium for the selected coverage. This plan provides for the payment of fifty percent (50%) of the allowable cost as determined by the insurer for orthodontia to a maximum lifetime benefit of \$1,000 for dependents up to age 19. The annual maximum limit of coverage will be \$2,000 per person. If an administrator should be deceased while in the employ of the school district, the school district will continue to pay for the survivor(s) the above, for a period of two years. The amount of the contribution shall equal one (1%) percent of the administrator’s highest annual salary multiplied by the number of years of full time equivalent service in the school district. In the event of the administrator’s death before retirement, Retirement Pay shall be paid in a lump sum cash payment to his/her beneficiary.

B. **Retiree Healthcare Option.** For each administrator, hired prior to 7/1/10, who is at least 55 years old, has at least ten (10) years of administrative service in the Unionville-Chadds Ford School District and is not covered by an “early out option” under separate agreement with the district shall be eligible for the Retiree Healthcare Option. This Retiree Healthcare Option shall continue until the administrator’s 65th birthday. If an eligible administrator notifies the district that he/she does have post-employment healthcare coverage, the district shall make a \$25,000 non-elective employer contribution into the administrator’s 403(b) Account.

7.02- **Federal Tax Law Limitation.** If the district’s non-elective employer contributions for Retirement Pay and/or Retirement Healthcare Option would cause an administrator’s 403(b) Account to exceed the annual contribution limits for any year, the district’s annual contribution shall be limited to the amount permitted under Section 415(c) (1) of the Internal Revenue Code (the “Code”). The remainder of the district’s contributions shall be made in the following calendar year to the extent permitted by Section 415(c) (1) of the Code, and in each subsequent year (not to exceed five years after retirement) as necessary until the value of the total benefit has been paid.
