Instructions for filling out CFB Grant Applications

Go to the application website https://cfb.eformsolutions.com/

Please click on “Create New Account” to create your logon credentials.

Enter your name and email address. Choose a password that you will remember.

Make sure you select “Grant Applicant” as the User Type.

Select which grant form you need from the list and click on apply button.

The picture below is an example of the page you will be directed to for Innovative Granting Program Application.

You will click through each section of the application and fill out the required information. When a section is complete, a green mark will appear, if you still see the red “!” it indicates that some required field is still blank. **You cannot submit until each section is complete.**
