THIS FORM TO BE COMPLETED BY THE STUDENT OR PARENT/GUARDIAN

This optional form is supplemental to the required materials for admission. We recognize that our prospective students have many interests and talents outside of traditional homework bearing classes. This form is intended for those prospective students who have developed skills and passions that are of interest to our program directors. Consideration of these activities is only one of many factors weighted by our Admissions Committees. Prospective students who do not complete this form are given equal consideration in the admissions process.

Student Name _____
Current Grade

Current School

Prioritize the top activities in which you participate in and fill out the corresponding questions below for each activity.
(Please note not all questions may apply to your activity).
