PRINCIPAL'S MESSAGE

Welcome to The Academy of Technology & Leadership at Saticoy's (A.T.L.A.S.) Annual School Accountability Report Card, and thank you for taking the time to learn about us. "The Academy of Technology and Leadership at Saticoy is a safe and nurturing environment where student leaders are developed. In partnership with parents and our community, students gain confidence, responsibility, and critical thinking skills in preparation for life-long learning in a technological, global society." As principal, I am very proud of my A.T.L.A.S. family: the teachers, staff, students, and families who strive together to make our school better each year. I am also honored to have the opportunity to share the basis for such pride with you. The opportunity to do so has presented itself in the form of compliance with Proposition 98, which identifies the school accountability report card as a required component that every school in California must issue.

It is the belief of A.T.L.A.S. Elementary School that students can and will excel in an environment that is tailored to their evolving needs. Here at A.T.L.A.S., we combine the traditional values of a personalized, well-rounded education with the skills necessary to compete in the 21st century. By equipping our students with leadership and technology skills, our students will be prepared to be successful in middle school, high school, college, and beyond.

The hard working staff are both skilled and dedicated to the success of all students. We are fortunate to have many experienced and knowledgeable teachers eager to make a difference for our students. We believe in a student-centered approach, which provides an atmosphere in which a child's social, emotional, and intellectual needs are equally important.

Our goal in presenting you with this information is to keep our community, and the public in general, well informed. In reflection of that goal, we desire to keep the lines of communication open and welcome any suggestions, comments, or questions you may have. It is the opinion of the district and myself in particular that a well-informed public is vital in continuing to advance in an ever-evolving world. Thank you for helping A.T.L.A.S. Elementary School change with the times and maintain flexibility in this and future generations.

Ventura Unified
SCHOOL DISTRICT

District Vision Statement

In the Ventura Unified School District all students will receive an exemplary and balanced education fostering a lifelong passion for learning and engagement. We demand excellence of ourselves because our supportive community has entrusted us with their children.

District Mission Statement

The Ventura Unified School District will educate all students in safe, healthy, and high performing schools. We will inspire all students to excel academically, honor the unique qualities and diverse backgrounds of all students, build supportive relationships, guide all students to reach their full potential, motivate all students to successfully pursue their chosen life path, and engage all students to become responsible and contributing members of society.

DISTRICT & SCHOOL DESCRIPTION

Ventura Unified School District

Ventura Unified School District is the third largest district in the county and located on the California coastline, 63 miles northwest of Los Angeles. More than 16,000 students in grades transitional kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of 17 elementary schools, 4 middle schools, and 5 high schools.

Academy of Technology & Leadership at Saticoy (A.T.L.A.S.)

A.T.L.A.S. Elementary school serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2019-20 school year, 405 students were enrolled, including 8.6% in special education, 17.5% qualifying for English Language Learner support, 1.2% foster youth, 1.5% homeless youth, and 59% qualifying for free or reduced price lunch.

Student Enrollment by Student Group and Grade Level 2019-20			
Student Group	% of Total Enrollment	Grade Level	# of Students
Black or African American	1.5%	Kindergarten	53
American Indian or Alaskan Native	0.5%	Grade 1	65
Asian	1.2%	Grade 2	62
Filipino	2.5%	Grade 3	73

Many of A.T.L.A.S. Elementary's students are second generation students. The campus is located near the county's rich agricultural area. The principal and teaching staff work together to meet the needs of every student and provide a safe and supportive learning environment. A.T.L.A.S. Elementary offers a wide range of at-risk and intervention programs to accommodate the educational needs of its students.

A.T.L.A.S. Elementary School is a technology and leadership magnet school, being recognized as a Franklin Covey Lighthouse School, which puts them in the top 10% of all Leader In Me Schools in the world.

A.T.L.A.S. Elementary School is home to the district's Early Intervention Center which hosts language-based play groups for children with mild to moderate delays in the areas of communication, sensory/movement, self-help, social/emotional, and/or pre-academic skills. As close neighbors to the county special education program at Penfield, A.T.L.A.S. Elementary provides opportunities for special needs students to integrate with general education students, which is a mutually beneficial exchange.

A.T.L.A.S. hosts two Jump Start preschool programs. These programs assist young pre-K students and their parents in developing the skills and behaviors necessary for school success.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

PARENT INVOLVEMENT

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, joining the PTA, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through ParentSquare, the school website, the school marquee, Twitter, Facebook, Instagram, and the PTA website. Contact the school office manager at (805) 672-2701 for more information on how to become involved in your child's learning environment.

STUDENT ACHIEVEMENT

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for

students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance

tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Physical Fitness

In the spring of each year, A.T.L.A.S. Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website www.cde.ca.gov/ta/tg/pfl/.

SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. A.T.L.A.S. Elementary School's original facilities were built in 1939; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. Campus repair and/or improvement projects for include the following:

2019-20 Campus Improvements:

- New flooring for room 15
- Repaint Room 2

Every morning before school begins, the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to A.T.L.A.S. Elementary School. The day custodian is responsible for:

- Restrooms
- Cafeteria Setup/Cleanup
- General Cleaning and Custodial Functions

Restrooms are checked twice a day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classrooms
- Restrooms
- Routine Maintenance

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for A.T.L.A.S. Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated and shared with school staff by December 2020.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, assigned teachers and morning supervisors are strategically located at designated entrance areas and on the playground. During recess, three yard duty supervisors monitor playground activity. Three noon supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, two teachers and three yard duty supervisors monitor student behavior to ensure a safe and orderly departure.

A.T.L.A.S. Elementary School is a closed campus. During school hours, all gates are locked except the entrance. All visitors must sign in at the school's office and wear identification badges while on school grounds.

Facilities Inspections

The district's maintenance department inspects A.T.L.A.S. Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). A.T.L.A.S. Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on July 20, 2020. During fiscal year 2019-20, all restrooms were fully functional and available for student use at the time of the inspection.

CLASSROOM ENVIRONMENT

Discipline & Climate for Learning

A.T.L.A.S. Elementary School's discipline policies are based upon a school-wide discipline plan, which is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. The mission statement is posted in each classroom as well as behavioral goals for all students based on the Leader in Me program. A.T.L.A.S. Elementary School employs a progressive approach in managing students who make poor choices in behavior, do not follow school rules, or are disruptive in the classroom.

adoption and implementation for the 2021-2022 school year. Currently, supplemental bridge materials are being used to support the implementation of the new History-Social Science state framework.

On September 22, 2020, the Ventura Unified School District Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #20-24 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, (2) that all students who are enrolled in the same course within the district have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic

As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

CURRICULUM & INSTRUCTION

Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials for K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education, and instructional materials for 9-12 are aligned to state standards and approved by the district's board of education.

Ventura Unified School District is currently piloting new Science textbooks and anticipates adopting new curriculum by the 2021-22 school year. In order to meet State requirements, the current textbooks are being supplemented with NGSS-aligned bridge supplemental materials. History-Social Science curriculum is scheduled to be piloted in the 2020-2021 year with

content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, 4) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2020-21 school year, Ventura Unified School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Staff Development

All professional development activities at Ventura Unified School District are aligned to the California State Standards. Staff development concentrations are selected and identified based on State Standards implementation, the new science standards, teacher surveys, and district initiatives. Findings from formative assessment results indicate that reading, writing, and mathematics are the primary focus areas.

During the 2018-19, 2019-20, and 2020-21 school years, the teachers at A.T.L.A.S. Elementary School had the opportunity to participate in districtwide staff development training focused on:

2018-19 and 2019-20 Trainings:

- History-Social Science
- Next Generation Science Standards
- School Safety
- Special Education
- Strategies for Formative Assessments
- Technology Training
- Universal Design for Learning

2020-21 Trainings:

- Behavior Team's Role during Distance Learning (Special Education)
- Canvas Basics & Gradebook
- Distance Learning Plans
- Elementary Resource
- English Learner Support and Review and ELPAC
- Facilitated Canvas Course Customization Support (Special Education)
- GATE Icons

Supplemental site-based training takes place during faculty, grade level, and department meetings. The principal identifies teacher training needs based upon parent survey results, teacher input, teacher evaluations, and the Healthy Kids Survey. During the 2019-20 school year, A.T.L.A.S. Elementary School's staff development activities concentrated on:

- Growth Mindset
- Leader in Me / 7 Habits of Highly Effective People
- Technology

The district also offers supplemental professional development to follow up and support year-round and ongoing programs centered around reading, writing, and math and tied to either specific strategies to improve student learning or district-adopted curriculum materials. Supplemental professional development is offered throughout the school year on early student release days, after school, on designated staff development days, and during substitute release time. Teacher Content Specialist Teams work with school site administrators and teaching staff to provide support and training to ensure the successful implementation of the Common Core Standards.

The Ventura County Teacher Induction Consortium is a two-year, individualized, job-embedded system of mentoring, support and professional learning that begins in the teacher's first year of teaching for newly credentialed teachers in California. The

program is accredited by the Commission on Teacher Credentialing (CTC) and is administered by the Ventura County Office of Education (VCOE), Educator Support and Effectiveness (ESE) department, in coordination with a consortium of 18 school districts, local charter schools, private schools, and 5 university partners.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Superintendent of Schools as well as the Ventura Unified School District. Profession and subject specific offerings are consistent with the California Content Standards. Classified support staff may receive job-related training from district representatives; training activities and workshops are designed to enhance and extend job performance.

Counseling & Support Staff

A.T.L.A.S. Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to A.T.L.A.S. Elementary School's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

**One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.*

SARC DATA & INTERNET ACCESS

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about A.T.L.A.S. Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Ventura Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials sections was acquired in November 2020 and the school facilities section was acquired in December 2020.

DISTRICT EXPENDITURES

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2018-19 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2018-19 school year, Ventura Unified School District spent an average of \$11,502 of total general funds to educate each student (based on 2018-19 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)
