Hello Samantha Smith Families,

We are up and running! This week has been amazing seeing students back in the classroom. I am thankful this afternoon to work among such professionals. Thank you to my team for working hard each day to keep our students safe and creating such welcoming classroom environments. Thank you to all of our families. We appreciate each of you taking the health and safety of all here at school very seriously. I have attached the "Too Sick for School" district guidance in case you have questions around COVID-19 symptoms. We are all thankful to be back in person.

#### Too Sick for School

#### Coronavirus information available here.

Help Lake Washington School District stop the spread of illness. If you answer "YES" to any of the following questions, keep your student home and contact your school.

- 1. Has your student been in close contact with anyone with confirmed COVID-19?
- 2. Does anyone in your household have COVID-19 like symptoms &/or is anyone in your household being tested for COVID-19?
- 3. Has your student or anyone in your household had a positive COVID-19 test for active virus in the past 10 days?
- 4. Within the past 14 days, has a public health or medical professional told your student to self-monitor, self-isolate or self-quarantine because of concerns about COVID-19?

#### Our Kindergarteners are coming!

Starting Tuesday, September 7th we slowly start welcoming our kindergarten students. Tuesday, Wednesday and Thursday, a third of each class will join us. Friday, September 10th ALL kindergarten students will be here at school. We are looking forward to welcoming our newest Dolphins!

### Lunchroom

We want to acknowledge there have been some concerns shared with our team regarding the set up of the lunchroom. Although we will likely not land on a perfect option for all, we do want you to know that we are listening to feedback and working to evaluate potential changes to the lunchroom set up. If changes are made, we will communicate this out. Our number one goal is the safety of all Smith students.

#### **Bus Chute**

We are seeing an increase in guardians dropping students off across from our bus chute exit (on the blind hill.) PLEASE DO NOT ASK YOUR CHILD TO RUN ACROSS THE STREET TO THE SCHOOL. Instead, walk West up the North side of 14th street where there is a cross-walk at 233rd and a crossing guard at the main entrance to the school.

# Curriculum Nights

Thank you for taking time out of your evening this past Thursday to attend our classroom Curriculum Nights. If you missed this night for your student's classroom, please reach out to their teacher to learn more.

Being an educator during these times is not an easy task. I care very much about every single person that comes to our building, especially our students. Please know that when we say we take their safety seriously, I genuinely mean that.

Have a good three day weekend.

In partnership,

Jamie Warner
