

## Introduction to Teaching in a Diverse Society

<b>Curriculum/Content Area:</b> Future Teachers (Elective)	<b>Course Length:</b> 2 Terms
<b>Course Title:</b> Intro to Teaching in a Diverse Society	<b>Date last reviewed:</b> January 2019
<b>Prerequisites:</b> Enrollment in LAUNCH Future Teachers Strand	<b>Board approval date:</b> March 2019
<b>Primary Resource:</b>	

### Desired Results

#### Course description and purpose:

Introduction to Teaching in a Diverse Society invites prospective teachers to think critically about the complexity of the art and craft of teaching, to engage with diverse student populations in educational settings, to appreciate the possibilities for powerful teaching and to discern their own potential roles as teachers who teach for the common good.

Enduring Understandings:	Essential Questions:
<ol style="list-style-type: none"> <li>1. The art and science of teaching is incredibly complex.</li> <li>2. Teachers have a substantial impact on both individual students and our larger communities.</li> <li>3. Teaching can be a fulfilling, worthwhile career.</li> </ol>	<ol style="list-style-type: none"> <li>1. How do the various aspects of schools (students, teacher roles, classroom/school dynamics, etc..) impact the art and the science of teaching?</li> <li>2. Why are high-quality teachers important?</li> <li>3. Do I want to pursue a teaching career? Why?</li> </ol>

Priority Standards
<p><a href="#">Wisconsin Department of Public Instruction Teacher Standards</a></p> <p><b>WI.DPI.TS.3 Teachers understand that children learn differently.</b> The teacher understands how pupils differ in their approaches to learning and the barriers that impede learning and can adapt instruction to meet the diverse needs of</p>

pupils, including those with disabilities and exceptionalities.

**WI.DPI.TS.6 Teachers communicate well.** The teacher uses effective verbal and nonverbal communication techniques as well as instructional media and technology to foster active inquiry, collaboration, and supportive interaction in the classroom.

**WI.DPI.TS.9 Teachers are able to evaluate themselves.** The teacher is a reflective practitioner who continually evaluates the effects of his or her choices and actions on pupils, parents, professionals in the learning community and others and who actively seeks out opportunities to grow professionally.

**WI.DPI.TS.10 Teachers are connected with other teachers and the community.** The teacher fosters relationships with school colleagues, parents, and agencies in the larger community to support pupil learning and well-being and acts with integrity, fairness and in an ethical manner.

## Introduction to Teaching

### Essential Questions:.

- A. Do I want to pursue a teaching career? Why?

### Standards:

**WI.DPI.TS.9 Teachers are able to evaluate themselves.** The teacher is a reflective practitioner who continually evaluates the effects of his or her choices and actions on pupils, parents, professionals in the learning community and others and who actively seeks out opportunities to grow professionally.

### Learning Targets:

- I can reflect upon my own strengths and interests as they relate to a potential teaching career. (WI.DPI.TS.9)

### Assessment Evidence:

#### Performance Assessment Options

*May include, but are not limited to the following:*

- 

#### Other assessment options

*May include, but are not limited to the following:*

- Reading reflections

### Supplementary Resources:

Ayers, W. (2010). To teach, The Journey, in Comics. New York: Teacher's College Press.

Choice of ONE of these teacher stories:

- Baldacci, L. (2003). Inside Mrs. B's Classroom: Courage, Hope, and Learning on Chicago's South Side.
- Esquith, R. (2007). Teach Like Your Hair's on Fire. New York: Penguin Books.
- Landsman, J. (2001). A White Teacher Talks About Race. Lanham, MD: Scarecrow Press.
- Michie, G. (2005). See You When We Get There: Teaching for Change in Urban Schools. New York: Teachers College Press.
- Paley, V. Kwanzaa and Me: A Teacher's Story.
- Paley, V. White Teacher.

## Teaching Roles

### Essential Questions/Topics of Study:

- A. How do the various aspects of schools (students, teacher roles, classroom/school dynamics, etc..) impact the art and the science of teaching?
- B. Why are high-quality teachers important?
- C. Do I want to pursue a teaching career? Why?

### Standards:

**WI.DPI.TS.3 Teachers understand that children learn differently.** The teacher understands how pupils differ in their approaches to learning and the barriers that impede learning and can adapt instruction to meet the diverse needs of pupils, including those with disabilities and exceptionalities.

**WI.DPI.TS.6 Teachers communicate well.** The teacher uses effective verbal and nonverbal communication techniques as well as instructional media and technology to foster active inquiry, collaboration, and supportive interaction in the classroom.

**WI.DPI.TS.9 Teachers are able to evaluate themselves.** The teacher is a reflective practitioner who continually evaluates the effects of his or her choices and actions on pupils, parents, professionals in the learning community and others and who actively seeks out opportunities to grow professionally.

**WI.DPI.TS.10 Teachers are connected with other teachers and the community.** The teacher fosters relationships with school colleagues, parents, and agencies in

the larger community to support pupil learning and well-being and acts with integrity, fairness and in an ethical manner.

### Learning Targets:

- I can describe characteristics, circumstances, and/or experiences that may impact student learning (WI.DPI.TS.3)
- I can clearly communicate thoughts and ideas with colleagues (WI.DPI.TS.6)
- I can describe the advantages of teacher partnerships with various stakeholders in a school setting (WI.DPI.TS.10)
- I can reflect upon my own strengths and interests as they relate to a potential teaching career. (WI.DPI.TS.9)

### Assessment Evidence:

#### Performance Assessment Options

*May include, but are not limited to the following:*

- Blog #1

#### Other assessment options

*May include, but are not limited to the following:*

- Reading reflections

## Overview of the Art and Craft of Teaching

### Essential Questions/Topics of Study:

- A. How do the various aspects of schools (students, teacher roles, classroom/school dynamics, etc..) impact the art and the science of teaching?
- B. Why are high-quality teachers important?
- C. Do I want to pursue a teaching career? Why?

### Standards:

**WI.DPI.TS.3 Teachers understand that children learn differently.** The teacher understands how pupils differ in their approaches to learning and the barriers that impede learning and can adapt instruction to meet the diverse needs of pupils, including those with disabilities and exceptionalities.

**WI.DPI.TS.6 Teachers communicate well.** The teacher uses effective verbal and nonverbal communication techniques as well as instructional media and technology to foster active inquiry, collaboration, and supportive interaction in the classroom.

**WI.DPI.TS.9 Teachers are able to evaluate themselves.** The teacher is a reflective practitioner who continually evaluates the effects of his or her choices and actions on pupils, parents, professionals in the learning community and others and who actively seeks out opportunities to grow professionally.

**WI.DPI.TS.10 Teachers are connected with other teachers and the community.** The teacher fosters relationships with school colleagues, parents, and agencies in the larger community to support pupil learning and well-being and acts with integrity, fairness and in an ethical manner.

### Learning Targets:

- I can describe characteristics, circumstances, and/or experiences that may impact student learning (WI.DPI.TS.3)
- I can describe adaptations and supports that can assist students in their learning. (WI.DPI.TS.3)
- I can clearly communicate thoughts and ideas with colleagues (WI.DPI.TS.6)
- I can identify instructional strategies that foster student inquiry, collaboration, and engagement. (WI.DPI.TS.6)
- I can describe the advantages of teacher partnerships with various stakeholders in a school setting (WI.DPI.TS.10)
- I can identify traditional educational practices that create barriers to learning for some students (WI.DPI.TS.3, WI.DPI.TS.9)
- I can reflect upon my own strengths and interests as they relate to a potential teaching career. (WI.DPI.TS.9)

## Classroom and Schools: The Hidden Curriculum

### Essential Questions/Topics of Study:

- A. How do the various aspects of schools (students, teacher roles, classroom/school dynamics, etc..) impact the art and the science of teaching?
- B. Why are high-quality teachers important?
- C. Do I want to pursue a teaching career? Why?

### Standards:

**WI.DPI.TS.3 Teachers understand that children learn differently.** The teacher understands how pupils differ in their approaches to learning and the barriers that impede learning and can adapt instruction to meet the diverse needs of pupils, including those with disabilities and exceptionalities.

**WI.DPI.TS.6 Teachers communicate well.** The teacher uses effective verbal and nonverbal communication techniques as well as instructional media and technology to foster active inquiry, collaboration, and supportive interaction in the classroom.

**WI.DPI.TS.9 Teachers are able to evaluate themselves.** The teacher is a reflective practitioner who continually evaluates the effects of his or her choices and actions on pupils, parents, professionals in the learning community and others and who actively seeks out opportunities to grow professionally.

**WI.DPI.TS.10 Teachers are connected with other teachers and the community.** The teacher fosters relationships with school colleagues, parents, and agencies in the larger community to support pupil learning and well-being and acts with integrity, fairness and in an ethical manner.

### Learning Targets:

- I can describe characteristics, circumstances, and/or experiences that may impact student learning (WI.DPI.TS.3)
- I can describe the differences between an articulated curriculum and a hidden curriculum (WI.DPI.TS.3)
- I can describe adaptations and supports that can assist students in their learning. (WI.DPI.TS.3)
- I can clearly communicate thoughts and ideas with colleagues (WI.DPI.TS.6)
- I can identify instructional strategies that foster student inquiry, collaboration, and engagement. (WI.DPI.TS.6)
- I can describe the advantages of teacher partnerships with various stakeholders in a school setting (WI.DPI.TS.10)

- I can identify traditional educational practices that create barriers to learning for some students (WI.DPI.TS.3, WI.DPI.TS.9)
- I can reflect upon my own strengths and interests as they relate to a potential teaching career. (WI.DPI.TS.9)

### Assessment Evidence:

#### Performance Assessment Options

*May include, but are not limited to the following:*

- Service Learning Self-Reflection
- Teacher Story Wiki

#### Other assessment options

*May include, but are not limited to the following:*

- Reading reflections

## Contexts of Teaching: Conflicting Views on the Purpose of Schools

### Essential Questions:

- A. How do the various aspects of schools (students, teacher roles, classroom/school dynamics, etc..) impact the art and the science of teaching?
- B. Why are high-quality teachers important?
- C. Do I want to pursue a teaching career? Why?

### Standards:

**WI.DPI.TS.3 Teachers understand that children learn differently.** The teacher understands how pupils differ in their approaches to learning and the barriers that impede learning and can adapt instruction to meet the diverse needs of pupils, including those with disabilities and exceptionalities.

**WI.DPI.TS.6 Teachers communicate well.** The teacher uses effective verbal and nonverbal communication techniques as well as instructional media and technology to foster active inquiry, collaboration, and supportive interaction in the classroom.

**WI.DPI.TS.9 Teachers are able to evaluate themselves.** The teacher is a reflective practitioner who continually evaluates the effects of his or her choices and actions on pupils, parents, professionals in the learning community and others and who actively seeks out opportunities to grow professionally.

**WI.DPI.TS.10 Teachers are connected with other teachers and the community.** The teacher fosters relationships with school colleagues, parents, and agencies in the larger community to support pupil learning and well-being and acts with integrity, fairness and in an ethical manner.

### Learning Targets:

- I can clearly communicate thoughts and ideas with colleagues and students. (WI.DPI.TS.6)
- I can describe varying views on the purpose of education. (WI.DPI.TS.6)
- I can describe how competing priorities impact our educational system. (WI.DPI.TS.6)
- I can identify traditional educational practices that create barriers to learning for some students (WI.DPI.TS.3, WI.DPI.TS.9)
- I can reflect upon my own strengths and interests as they relate to a potential teaching career. (WI.DPI.TS.9)
