After-School Programme 2021/22

Education for the World of Tomorrow, Today

Nobel Algarve British International School Lagoa is proud to announce its After-School Programme starting in October 2021 and finishing at the end of the academic year. From the timetable, you will see many activities for your child/children to choose from.

Goals:

Our main goals are to promote enjoyable activities for all the students which will have educational, cultural, sports and fun purposes.

Nobel Algarve British International School is mindful of the busy lives of our families and, with that in mind, these activities will extend the child's/children's school day making it easier for parents to consolidate their working day with their family life.

Schedule:

Taking into account the school calendar, clubs will take place every day from Monday to Friday from 4:30 pm to 5:30 pm at Nobel Algarve Lagoa.

Enrolment:

To sign up, you will need to fill in an enrolment document giving permission for your child/children to take part in a specific club. This may be done either by email programme@nobelalgarve.com; or by obtaining an enrolment form directly from the responsible teacher/coach for each club. In order for the club to run, there will need a minimum of five children.

Safety:

At 4:30pm, all students enrolled must go to the room where the activity will take place. However, Pre-school and Year 1 children will be collected at 4.30pm by their activity teacher.

For safety reasons, at the end of the afternoon's activities (5.30 pm), each child/student must be collected either by their parents or by someone that has been authorised to do so in the Enrolment Form. If for some reason, neither parent can collect the child/children, written consent must be emailed to Miss Joana Lopes and Miss Nadia Cann programme@nobelalgarve.com giving reasonable warning.

Material / Gear:

Specific items for the activity will be suggested by the teacher and each child will be expected to provide their own.

Snack:

Your child/children should always bring a snack and drink for the afterschool clubs as this will not be provided by the school.

Rate:

40€ monthly for an activity twice a week, or 20€ monthly for an activity once a week.

Payments must be made directly to their own activity teacher or to the reception marked for the attention of the activity's teacher by the end of the first week of each month (October 2021 – June 2022).

If the payments do not take place during two consecutive months, your child/children's enrolment will be cancelled and they will not be allowed to re-enrol.

Note: The Music Programme has a different monthly cost which is available from those teachers.

I, parent/guardian of , Year
have acknowledged and accepted the above terms and conditions and authorise my child to participate in the After-School Programme in the following activities.

| | Monday | Tuesday | Wednesday | Thursday | Friday |
