

# THE PARKLAND LITERACY CENTER IS OPEN!

The PLC offers free homework help and learning support for K-12 students in Franklin Pierce and Bethel School Districts. We provide writing and Spanish language tutoring, as well as general academic tutoring in all subjects (including math and science). We also offer assistance for Avid and standardized tests like the AP exam. PLC volunteers are all PLU students, staff, and faculty members.

Due to the ongoing impacts of the COVID-19 pandemic, the PLC is available in person or via Zoom! See appointment details below!
