

Resources: Companies/Agents Offering Individual LTC Policies

Employees are encouraged to review the state's LTC information and/or talk to a LTC insurance agent if interested in opting out of the state's plan. Purchase of an individual/private LTC policy is an Individual choice. Policies and cost vary based on factors such as age, gender, coverage amounts, etc.

Note: This list was gathered by our insurance committee as a courtesy and is for information only. The list is not all inclusive nor is the insurance committee/SKSD endorsing any companies/agents. Your personal financial planner may also be a great resource.
