

Vaccination Verification & Weekly Testing

California State Public Health Officer Order of August 11, 2021, requires Lodi Unified School District to verify the vaccination status of all staff members. Staff members who are not vaccinated or will have an unknown status must complete weekly COVID 19 tests.

1

All LodiUSD

September 27, 2021

Registration emails will be sent to staff members @lodiUSD.net.

Staff members register from the email by verifying their information, uploading a picture of their vaccination record and share to the LodiUSD Azova portal website at <https://lodivaccines.azova.com>**

Once a staff member provides proof of vaccination, no further action is needed.

2

Administrators

October 18, 2021

Monday: Administrator receive via email the testing required list* and deliver tests kits to staff.

Friday Afternoon: Administrator will receive email of staff members who did not complete the test for the week.

Daily: Delivery drivers will pickup up testing kits from site's designated location.

3

Staff Testing Weekly

October 18, 2021

by Friday of each week:

1. Receive COVID 19 Test kit from site.
2. Register COVID 19 Test kit serial number at <https://lodiUSD.azova.com>
3. Complete COVID 19 test.
4. Return sample to site collection location.

* Emails will only contain Employee Identification Numbers (EIN) only.

**The AZOVA app and website adheres to the highest HIPAA, SOC 2 and HITRUST standards, ensuring that your healthcare data and COVID status is encrypted end-to-end.

For assistance uploading your vaccination record or registering a test kit, please contact (209) 331-8324 option #9 from 7:30am - 4:30pm M-F.
