Monthly Newsletters

Welcome to monthly newsletters from District Office. Communication will typically happen on the second Tuesday of each month, so look for the next newsletter on Tuesday Oct 12th!

We LOVED seeing students back!

Riteway

It is not too late to sign your child up for bussing. If you are interested in simplifying your morning routine call Riteway to get your children on the bus!

Riteway is working through beginning of the year kinks and will contact the district if a bus is running more than 10 min late.

If you are interested or know someone who is interested in becoming a driver see the flyer attached [here](#).

Student Services and Special Education

The student services mission is to promote academic, personal, and social/emotional development. We empower students to become responsible citizens and life-long learners so that they have the opportunity to reach their full potential. We promote a healthy self concept

decision-making skills, career exploration, and academic achievement for students. We encourage personal, academic, and social/emotional growth by helping students build strong relationships with teachers, administrators, and other school personnel, as well as bridge communication and student support between home and school.

'Equity' can have a lot of different definitions, depending on the context but, at its core, the concept involves giving everyone in a situation the specific tools that they need to be successful. In the classroom, promoting equity is about educators choosing to embrace rather than shy away from the unique backgrounds, identities, and experiences that their individual students bring to the table.

-4 Practices to Promote Equity in the Classroom, Ashley DiFranza, June 24, 2019

If you are having concerns around services for your child please reach out to your classroom teacher and/or building principal. If you cannot reach a resolution contact Dr. Rodriguez and/or Mrs. Weiss for additional support.

Welcome our new District Nurse!

If you haven't met her yet please welcome our new nurse Kimberly Hess (kimberly.hess@glendale.k12.wi.us). She has been invaluable supporting our start this year. Thanks Kim!

STAR Testing

[Star Assessments](#) are short tests that provide teachers with learning data. Star tests are computer adaptive, which means they adjust to each answer your child provides. This helps teachers get the best data to help your child in the shortest amount of testing time (about one-third of the time other tests take).

Teachers analyze the data they get from Star Assessments to learn what students already know and what they are ready to learn next, to monitor student growth, and to determine which students may need additional help. Star Assessments are heavily researched and scientifically proven to help teachers guide each student on his or her unique path to mastery.

By pinpointing exactly what your child knows, teachers can personalize your child's practice to keep them growing.

Technology Handbook: Glen Hills Students only

Beginning with this school year students will receive a new chromebook when entering fourth grade. This will be their chromebook for the duration of their school career at Glen Hills. Students will then be able to keep those chromebooks when they leave the district after 8th grade.

Just a reminder that all families have received a copy of the technology [1:1 Handbook](#). Please reference this for information on fees and other student responsibilities when it comes to their chromebook responsibilities.

Excellence ★ Diversity ★ Success

September 2021

Dear Glen Hills Families,

We use the STAR Assessment to help understand student learning growth and achievement around grade level standards as students progress throughout the school year. This information is used to make instructional decisions to both support and challenge students academically.

The testing window is **September 20th-28th** for students in grades 4-8.

Please review the resource below regarding the STAR test for families.

Dear Parkway and Glen Hills Families,

The PTO is back! Well, honestly, we never left. We weren't able to hold any of our fun activities last year, but we kept busy getting school masks for all the students, organizing teacher dinners at conference times, raising money for a Gaga pit at Parkway, and coordinating the school supply pack sale.

But this year, case numbers are down in our area, our volunteers are vaccinated, and we are so excited to do things together, as a community. Here are some things you should know:

- We need your directory information! To create a school directory, we need your help! The school cannot give us student information. We will not publish any information you do not want us to publish, but if you want your kid invited to play-dates and birthday parties, please fill out the online form here: https://docs.google.com/forms/d/e/1FAIpQLSff3GGtgElErfx-oBs8yMRJoGw-P_scr6AUae7BOqdARWDMAQ/viewform?vc=0&c=0&w=1&flr=0&usp=mail_form_link
- We're doing less fundraising. The wrapping paper/cookie dough fundraiser has not been a huge success, so we are letting it go. You will have a chance to fundraise later in the year when we sell Coffee and Pretzels again. Otherwise, you are always welcome to make a tax-deductible donation to the PTO.
- We're planning events again! We want to bring back Fall Fest for Parkway students, and Family Activity Nights for Glen Hills students – but we need help! Please email glendale.riverhills.pto@gmail.com if you would like to join a planning committee for either event.
- We have a lot of opportunities to make a difference. It doesn't matter if you want to spend all day volunteering at the school, or you have ten minutes to make a call over your lunch break, or you just want to send a check and forget it – the PTO is grateful for whatever support you give us.

Please join us at our meetings on the second Monday of every month in the Glen Hills Commons, from 6:15 PM to 7:00 PM to learn about all the great opportunities we have. There will be a play area for children. Masks and social distancing are required. Our first meeting is next week, September 13th.

You can also follow us on Facebook and read all our announcements in the Thursday Folders.

Sincerely,

Melanie Hinchey

Mad Science Crazy Chemworks After-School Program Registration Information

Register online at the [Nicolet Recreation Website](https://www.nicoletrecreation.com) or call 414-351-7566

Important Details –

We recognize our responsibility in helping to stop the spread of Covid-19, so we have updated our in-person protocols to include enhanced equipment sanitizing, frequent hand washing/sanitizing for both instructors and kiddos, and requiring our Mad Scientists to be vaccinated and/or use PPE (including face masks and/or face shields and gloves) while conducting programs.

We are constantly monitoring local, state, and national health agencies and are ready to comply with all governmental mandates and any mandates specific to your location.

PLEASE DO NOT RETURN REGISTRATION FORMS TO YOUR CHILD'S SCHOOL. Forms returned to the school do not guarantee enrollment in Mad Science.

Registration is limited and on a first come, first served basis. Avoid disappointment and register early! Please return registrations directly to MAD SCIENCE. Registrations MUST be postmarked or completed by phone at 262-330-5029, or online at [milwaukee.madscience.org](https://www.milwaukee.madscience.org) prior to the registration deadline. Please consult the front of this form for specific enrollment information.

Mad Science is held onsite at your child's school. Students will be grouped by like grades when possible.

All supplies and materials are included in the class fee. Each week the kids will receive a take-home item and take-home card that will enable them to continue the fun and learning at home!!

You will not receive a confirmation letter. You will be contacted only if there is a problem with enrollment.

Any questions?????

Feel free to call Nicolet Recreation at 414-351-7566

To avoid any mix-ups, please remind your child to go to Mad Science after school on class days. It's also a good idea to send the teacher a note instructing the child where to go. Our instructors are not able to leave the classroom to look for absent children.

An announcement will be made on the first day of class directing the children where to meet.

Mad Science is not responsible for children before or after the stated class times.

Please pick your child up promptly after Mad Science at the school designated location at dismissal. If you are going to be late, please make arrangements to have your child picked up by someone else or attend after school care if available.

Late pickup will be charged after a 5 minute grace period at the rate of \$1.00 per minute and must be paid to the Mad Science office prior to the start of the next class for your child to continue.

If your child attends after school care, they will be walked there at the end of class.

For refund requests made more than one week prior to the start of the program, a \$25 processing fee will be deducted. No refunds or credits will be issued with less than one week's notice. No refunds or prorated fees for missed classes for any reason. There is a \$30 fee for all returned checks.

If a class is cancelled due to inclement weather or an unexpected school closing, we will attempt to schedule a make-up class. We are unable to offer a refund for classes missed due to unforeseen circumstances. Refunds or credits will not be issued for school closures due to Covid-19; any remaining classes may be offered on our virtual platform.

An alternate topic for a particular class may be substituted without notice if necessary.

Please retain the bottom copy of this form for session dates and times.
