

School Resource Officer

Electronic Device Registration Form

Purpose:

To establish a method of recording the brand name; model and serial numbers on electronic devices such as, but not limited to cellular telephones; I-Pods; MP3 players; and Portable Play Stations (PSP) for the purpose of tracking them and/or positively identifying them in the event they come up missing or are stolen.

Complete the form below and return it to the School Resource Officer where it will remain on file in the SRO Office.

Name: _____

Cell phone telephone number: ____-____-____

MP3 Player

I-Pod

Calculator

Other electronic device not mentioned

Now that you have checked the appropriate device, it is very important to provide important details about your device because they all can look alike in appearance.

1. Make of your device (for example; Sony, Apple, Motorola, Nokia):

2. Model of your device (for example; Nano, Palm Trio, 6900):

3. Color(s) of your device:

4. Serial Number (If you cannot locate the serial number, ask the SRO):

5. Model Number (If you cannot locate the model number, ask the SRO):

6. Other descriptions about your device that would make it easy to identify:
