

BRIARCREST CHRISTIAN HIGH SCHOOL
VEHICLE REGISTRATION AND PARKING POLICY

Parking on campus at Briarcrest Christian High School is a privilege for those who drive to school. It is expected that vehicles will be operated in a safe and orderly manner. Failure to do so will ultimately result in the revocation of driving privileges and/or disciplinary action.

- ❖ Any vehicle occupying the parking area must be registered with the office.
- ❖ Parking tags will cost \$25.00 and must be displayed on rear window on driver's side. Students may not loan parking tags to other students. Students must have a student parking tag not a parent parking tag.
- ❖ Green striping will designate faculty, staff and administrative parking.
- ❖ Senior parking will be reserved and designated by yellow striping. Underclassmen are allowed to park in any other parking space and will be sold on a first-come, first-serve basis.
- ❖ Please be advised that any parking spaces not occupied by students after the beginning of school each morning may be taken by visitors.
- ❖ Loud music or music containing profanity/obscenity will not be tolerated.
- ❖ Once a vehicle is parked on campus, the student may not return to the vehicle unless permission has been granted from the Attendance Office.
- ❖ All vehicles must be driven safely and responsibly.
- ❖ Drivers must possess a valid license.
- ❖ Students are expected to move directly into the building as soon as they park their vehicles; no loitering will be permitted.

I have read the Briarcrest Christian High School vehicle registration and parking policy form and understand that driving privileges may be revoked for failure to abide by the rules specified within the registration form.
