

**ALL SAINTS'
COLLEGE**

DESIGN AND TECHNOLOGY COMPUTER SCIENCE TEACHER (Permanent full-time position)

About us

All Saints' College (ASC), one of Australia's leading independent, coeducational Anglican day-schools, has two campuses. Our main campus is situated approximately 15 minutes south of the CBD on a beautifully landscaped 20 hectare property in Bull Creek. Surrounded by ovals, lawns and gardens, the campus caters for approximately 1 350 students from Pre-Kindergarten through to Year 12. Facilities include a state of the art theatre, heated 25 metre indoor swimming pool on campus, a fully equipped gymnasium, rock-climbing wall and an indoor sports centre. Our staff are welcome to use the facilities, enjoy the grounds or perhaps attend an evening show in our world-class theatre. In the mornings, staff often drop by *Wanju*, our College café, for a coffee and a chat with other members of our All Saints' community. Our second campus is in central Fremantle and is the home of The Studio School, our bespoke "studio" model of education that sees students in Years 10 to 12 combining their studies with authentic and purposeful projects in partnership with industry mentors, whilst also achieving their WACE and, as desired, an ATAR.

At ASC, we understand that balancing work and family commitments can sometimes be challenging, and so we have implemented a number of strategies to support our staff as they manage their work / life balance. Staff with school-aged children are offered free before- and after- school care, and vacation care is provided during periods of school holidays, also free of charge, for the children of staff members who are required to work at these times. We also understand that members of our staff may need to attend to matters of a private nature, from time to time, so our 'Temporary Absence Policy' enables staff to be absent from the workplace for up to two hours (without any deductions from leave accruals) during the working day to attend to such matters. We offer a broad range of other benefits to attract and retain outstanding staff, including:

- Salary packaging
- Deferred salary scheme (work 4 years and take the 5th year as leave)
- Generous paid parental leave
- Generous long service leave entitlements
- Generous discount on school tuition fees
- Free onsite parking
- Discounted tickets for events held in the Centre for Performing Arts
- Discounted flu vaccinations
- An active Staff Association that provides regular social activities
- Notebook computers (and iPads, depending on your role) for relevant staff
- Access to high level professional development (PD), including attendance at interstate and international events
- Financial support to undertake academic studies

All our staff - teaching, administration and support staff - are committed to the welfare of our students, and to providing a warm, supportive, caring and challenging environment that encourages creative and critical thinking.

About you

Available to commence at the College in Term 1, 2022, you are an innovative, passionate and dedicated teacher, who would be keen to contribute to our Design and Technologies Department's teaching program within the subject area of Digital Technologies (Years 7-10) and Computer Science (ATAR Years 11 to 12). You are cognisant of current curriculum developments and initiatives, and consistently strive to provide an engaging learning experience for your students – one that reflects pedagogical best practice. You can demonstrate:

- experience in, and commitment to, effectively integrating technology into classroom delivery;
- a commitment to nurturing the individual student;
- a commitment to self-development and ongoing learning, and the desire to be part of a dynamic educational team;
- tertiary qualifications in a related discipline;
- current registration with the Teacher Registration Board of Western Australia;
- National Police Clearance Certificate; and
- ability to uphold and support the College's Anglican ethos, and maintain a current Working with Children Clearance during employment with the College.

At the forefront of contemporary educational practices, you also understand the need for educational institutions to adapt and respond to our changing world. Flexible and agile in your thinking, you model a growth mindset which will enable you to support the College in its unwavering pursuit of excellence – thus preparing and equipping our students for the exciting future that awaits them.

How to apply

Your application should consist of a one page covering letter, addressed to the Principal, explaining the attributes, skills and experience you would bring to our Design and Technologies Department, and why you wish to work at ASC. Please also attach a Curriculum Vitae containing your employment history, educational qualifications and the contact details of three professional referees.

For further information and a copy of the duty statement, please visit the All Saints' College website: <https://allsaints.wa.edu.au/employment/>

Applications are to be submitted via the SEEK website. Due to our recruitment processes we are not able to accept hard copy applications.

Please direct any enquiries to Marianne Beattie, Head of Design and Technologies, on (08) 9313 9333.

Applications close at 1.00pm on Friday, 15 October 2021.
