Dear Parent/Carer

**Year 10 Virtual Parent/Carer Information Evening  
Available on the Kineton High School website from 6pm on Tuesday 28<sup>th</sup> October 2021**

As your child settles into Year 10 at Kineton High School, they will have noticed a number of changes. Their timetable now contains fewer subjects, as they have now chosen the ones they wish to study towards a qualification. By the end of the academic year, each student will have sat their first GCSE, in English Literature.

Over the year, teachers will be working with their students to prepare them for their GCSEs and helping them to begin to make plans for what they are going to do after they have completed their exams.

In order to give you a full oversight of the year ahead, you are invited to our Year 10 Information Evening. As this is an evening where a number of presentations are made to an audience, and bearing in mind the current status of the pandemic, it has been decided that the presentations will be delivered virtually, on our website, to prevent the need for a large group of people to meet in a single venue.

The presentations will be available on our website from 6pm on Tuesday 28<sup>th</sup> September. Among those presenting there will be information from:

- Mrs Hardwick, Head of Year 10
- Mr Larner, Assistant Headteacher responsible for Teaching and Learning
- Mr Gowney-Headges, Deputy Headteacher who oversees Pastoral Issues
- Mrs Heggs, Head of English
- Mr Richmond, Head of Maths
- Miss Bonser, Teacher who leads the Character and Culture Curriculum

I will also give you an overview of the year ahead, exploring key dates for your diary, including reports and Parents' Consultations.

I hope you will find the evening full of useful information, which you will be able to revisit when necessary.

Yours sincerely,

Mr J Leahy  
Assistant Headteacher
