

PLTW PRE-ENGINEERING (2 Yr)
High School Students Only
2021-22

CLASS TIMES:

AM Students: 8:00 am to 10:50 am
PM Students: 11:50 pm to 2:50 pm

INSTRUCTORS:

Marcia Brown, Paula Hargrove,
Debbie Bailey, Joan Cole, Grandena Coffey,
Laurie Schoening

This is a two year academy that will emphasize academics and engineering principles. It will provide the student with a strong foundation to excel in a post-secondary engineering pathway. Students in this major will study pre-engineering through Project-Lead-the-Way curriculum that will introduce them to the concepts and principles of engineering and there will be a strong emphasis on developing problem solving skills. Students will complete advanced math and science courses, including physics and calculus, which will prepare them to advance to the college or university level.

Tuition & Textbooks	\$	-
There are no tuition or textbook cost for High School Students		
Student Estimated Expenses	\$	263.00
These expenses may not be due at once and may incur during the school year.

Replacement Student ID Badge.....	\$	3.00
TOTAL ESTIMATED EXPENSE	\$	263.00

Board Approved

5/4/2021

Tuition and fees or documentation from your funding agency is due by the first day of class each semester.
100% of tuition will be refunded if the student withdraws before classes start or before the beginning of the sixth day from the class start date. The student is ultimately responsible for the full semester's tuition and fees.
