

ESSER III Stakeholder Input Communication Plan

Purpose: Under the ESSER III Uses of Funds Plan Requirements, the district must engage in **meaningful consultation** with stakeholders and give the public an opportunity to provide input in the development of its plans (**Uses of Funds Plan** and **Return to In-Person Instruction and Continuity of Services Plan**).

An overview of the ESSER III funding will be posted on the District’s webpage. A link will be provided for stakeholder responses to a district designed questionnaire. All stakeholder input opportunities will be posted on the Galveston Independent School District webpage.
