Message from Mrs. Tammy Steckbauer ~ Principal

Staffing Changes at Rib Effective Sept.27

This summer a proposal was written and accepted to hire an additional teacher at Rib Mountain Elementary School who would work with all grade levels in some capacity as a Learning Recovery Resource Teacher. This amazing opportunity will provide an extra layer of support for all of our learners. We know that this will be especially important due to the disruption of learning that many of our students experienced over the last couple of years. It is our goal to help support our students and help them best realize their potential.

I'm excited to share with you that all the dominoes have fallen, and our hiring process is complete. Because we are awaiting our new science specialist to join the team later this month and because we want this transition to be smooth for everyone involved, these changes won't become effective until Monday, September 27.

Please join me in congratulations the following individuals:

Mrs. Ann Nygaard- Learning Recovery Resource Teacher (New position)

Mrs. Jeanette Ryan- Kindergarten Teacher (replacing Mrs. Nygaard)

Mrs. Chelsey Gilbert- Science Specialist (replacing Mrs. Ryan)

Please see an introductory letter from both Mrs. Ryan and Mrs. Gilbert.

If you have any questions or concerns, please don't hesitate to call. We will be working hard to help transition our new staff and support our students throughout this entire process.

Respectfully,

Tammy Steckbauer, Principal

A big thank you to all of the families for being so diligent in returning all of the beginning of the year forms to school. This shows the wonderful communication you have with your students. Your students were so responsible, turning in the forms to their teachers and/or the office. Thank you so much for your cooperation. It is greatly appreciated!

Mrs. Theiler

Welcome Mrs. Gilbert

Hi! I'M MRS. GILBERT!!

I am so excited to be the science specialist this year! Although this will be my first year teaching at Rib Mountain, I have been teaching for over 18 years altogether, one of my years was also at Stettin Elementary! I know it's going to be a year full of exploration, questioning and a lot of fun!

My family and I have lived in Wisconsin for almost 10 years however, I am originally from Pine City, Minnesota and YES, I am a Vikings fan! In Minnesota I attended the University of Minnesota. Upon graduating I moved to Arizona for 6 years, where I loved the weather, but then I made the decision to move back to Minnesota to be closer to my family and eventually met my husband Brian. I love spending time with my family! My 12 year old twins, Emma and Bryce, are now in seventh grade, and I have been married to my husband Brian for 13 years. Some of my hobbies are gardening, camping, reading, and hanging out with my dogs!

I am so excited to begin our year together in science! I can't wait to meet you all and spend this next year learning and growing with all of you!!

A Few of My Favorite Things:

Favorite Colors: Blue and Yellow

Favorite Store: Bath and Body

Favorite Season: Fall

Favorite Food: Cookies

Favorite Drink: Diet Mountain Dew

Favorite Sport: Basketball

Favorite Animal: Dolphin Favorite Hobby: Gardening

Mrs. Ryan

Hi everyone! I'm Mrs. Ryan, the new Kindergarten teacher. I'm so excited for this upcoming school year! We are going to have a great adventure together in Kindergarten. I can't wait to get to know all of you.

This is my 10th year as a teacher. I spent my first 3 years at St. Paul School in Mosinee. I have been the science teacher at Rib Mountain since 2016. I have also been the science teacher at Stettin and South Mountain. I'm thrilled to be a Kindergarten teacher at Rib Mountain and I'm beyond excited to stay a Rib Mountain Mustang!

I grew up in Appleton, WI and moved to Wausau in 2012. I am a HUGE Packers fan! My husband and I have an adorable dog named Tonto. When I'm not in school, I'm usually busy working on furniture painting projects at home.

Parent Engagement Results & Efforts to Improve

Submitted by Tammy Steckbauer, Principal

42%- I feel my opinions are taken into consideration regarding policy decisions.

(This score has declined over the last few years: 100, 97, 65, and 42).

We are committed to being the best elementary school possible. We are committed to every child and know that our parents/guardians are their child's first and most important teacher. Keeping this in mind, we are always interested in receiving feedback from our families regarding the operations of our school. While we may not always be able to implement your suggestions, we do always take them into consideration and share them with those in a position to affect policy decisions.

Our school board sets policies which we are required to follow. That is NOT to say that we don't have a voice in how our school operates and the experiences your child enjoys while at Rib. It just means that like any organization, there are parameters from which we must operate.

We have been talking a lot about things within our **circle of influence** during this pandemic. Making sure to provide input and feedback regarding areas that we can influence is important.

One area I can think of where this is critically important is when there is a **disciplinary matter at school**. Parents are often called and asked to join the conversation regarding what course of action is most appropriate. You know your child best, and if our goal is to make everything a learning experience, then we need parents and caregivers to assist in this decision-making process to arrive at the best outcome. Sometimes we have to agree to disagree, and sometimes we just have to compromise. Regardless, your voice is important and is always taken into consideration.

A second area where you are part of the **circle of influence** is through P.T.O. Whether you attend meetings or not, you are a part of the PTO and your voice is important. Some parents participate by signing up to volunteer. Some participate by organizing an event or attending an event with their family. Some parents share ideas and input through a friend or by sending an email message to the school or to a P.T.O. officer. Your voice is instrumental in making decisions about what we provide for our school.

A third area where parents have **direct influence** is when making requests about your child's learning needs or learning style or even which teacher you believe would be a better fit. Again, while we cannot honor all requests, we DO make an honest effort to weigh your feedback and take it into consideration. Together, we make better decisions.

Our score in this area has plummeted over the last four years. I wonder if the pandemic is the culprit or if there are other factors at play. What I can say is that we will continue to ask your opinion about operational practices at Rib. We will continue to survey you to gather your feedback (like we did at open house) and we will continue to pour over your feedback through our GT parent survey and the Parent School Perceptions Survey.

If only 42% of you believe your opinions are taken into consideration, that's not ok. That's not what we want and we will continue to look for ways to improve. While we are bound by school district policies and what they expect, we do have an awful lot of latitude in other areas and a few of those examples were listed.

Please continue to share your feedback and input with us. Please continue to give us the benefit of the doubt when we are unable to change a decision, but also help us to see areas where we can grow and improve. Together, we are better!

Leader in Me

LeaderinMe® A NEW WAY TO DEFINE LEADERSHIP

Everyone Can Be a Leader • Everyone Has Genius • Change Starts with Me

We've nearly completed our First 8 Days of Leader in Me at Rib Mountain! The first 8 days are designed to jump start our school leadership culture, laying the foundation for understanding of the 7 Habits and developing our social-emotional intelligence.

We focus on developing the whole child by:
teaching **LEADERSHIP** to every student,
creating a **CULTURE** of student empowerment,
and aligning systems to drive results in **ACADEMICS**.

SEPTEMBER'S FOCUS IS HABIT 1: BE PROACTIVE

- I have a "can do" attitude and always try my best at everything I do.
- I follow directions and do the right things without being asked, even when no one is looking.
- I choose my actions, attitudes and moods and don't blame others for my wrongdoing.

LeaderinMe® @ HOME

The Habit 1 key concept "Circle of Control" teaches that while there are many things we cannot control, **we can control our choices, responses, and attitudes**. As a family, think of something that you would like to improve such as being ready for school on time, cutting back on screen time, or eating healthier and/or more meals together.

On a piece of paper, draw 2 circles as shown above. Write the things you have control over in the center of the circle. Write the things you have no control over in the outer circle. As a family, practice being proactive about the things that are in your Circle of Control and working to improve those things. The more time you spend in your circle of control, the more improvement you will see.

"I AM THE CAPTAIN OF MY LIFE. I CAN CHOOSE MY ATTITUDE.
I'M RESPONSIBLE FOR MY OWN HAPPINESS. I AM IN THE
DRIVER'S SEAT OF MY DESTINY, NOT JUST A PASSENGER."

Rainbow Reading Club

Rib Mountain Readers and Families,

This year Rib Mountain Elementary will be using our *Rainbow Reading Club* to reward readers that initiate reading at home. Our goal is to partner with families to increase reading motivation.

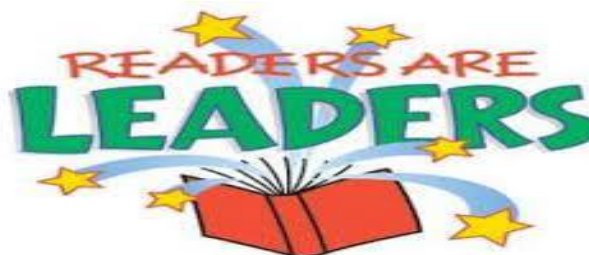

Readers that participate in this program will earn special Rainbow Mustang Money to spend at the Mustang Market. Readers will also collect Incentives for each level of the Rainbow, working toward collecting the entire Rainbow to either clip together or wear.

All students will start with a red card to document time spent reading at home. Watch for this card to come home next week. Each box on this Reading Club card will count for 20 minutes of reading at home. A simple adult initial will verify that each reader fulfilled this time. A completed card of ten hours of reading will earn your reward, so whenever you complete a card, hand it in! Once a reader has completed a red card, they will move on to the next color (and a new card) and work toward the following goal.

Color	Reward	Incentives
Red	\$ 5 Rainbow Mustang Money	Red Collector Ring Clip to a ring to start collecting or wear!
Orange	\$ 10 Rainbow Mustang Money	Orange Collector Ring
Yellow	\$ 15 Rainbow Mustang Money	Yellow Collector Ring
Green	\$ 20 Rainbow Mustang Money	Green Collector Ring
Blue	\$ 25 Rainbow Mustang Money	Blue Collector Ring
Indigo	\$ 30 Rainbow Mustang Money	Indigo Collector Ring You've collected a full Rainbow!
Violet	\$35 Rainbow Mustang Money	Violet Incentive Reading Medal

All readers will be rewarded as they progress through the rainbow the first time.
Have fun becoming a Rainbow Reader this year!

Start again and earn a special certificate!

School Resources

Blessings in a Backpack

The program helps provide a student with non-perishable items for the weekend. The program runs for 38 weeks during the school year period. This program is free if you would like your child to participate in this program. Usually, the food will come in a plastic bag and be placed in your child's backpack on Fridays. If you would like to join this program, please call the office or the school Social Worker, Cortney Sears at 715-261-0254.

Fill a Backpack, Fill a Need This is another great program we have to offer our families here at Rib Mountain Elementary School. This program is to help families who are in need of school supplies and a backpack for their children. This is also completely free so if you are in need of a backpack and supplies please call the office or the school Social Worker, Cortney Sears at 715-261-0254.

2021-2022 Wausau West Traveling Basketball

Wausau West Boys Basketball offers competitive traveling teams for boys in grades 3rd - 8th Grade. It is the goal of the Wausau West Boys Basketball program to create a fun and positive learning experience for our youth basketball players while still building players fundamental skills and developing a competitive mindset.

We are changing how we handle our Traveling Team Basketball Uniform situation. You will be purchasing your son's uniform and it is for them to keep and reuse throughout their years of playing Traveling Basketball. We highly suggest that you order the uniform a little bigger so that they get multiple years of use out of the uniform. Your uniform package that you will be purchasing includes a Jersey & Shorts along with a shooting shirt. Information and Pricing is listed below.
