The Prior Passport

Co-curricular activities are a big part of the life at Prior Park School and we strike a balance between working hard and playing hard, so the students can enjoy all the opportunities available.

Prior Park School runs an extensive co-curricular programme which takes place during lunch-times and after school. All students are supported in fulfilling the Prior Passport to demonstrate a commitment to a broad and balanced programme of personal development.

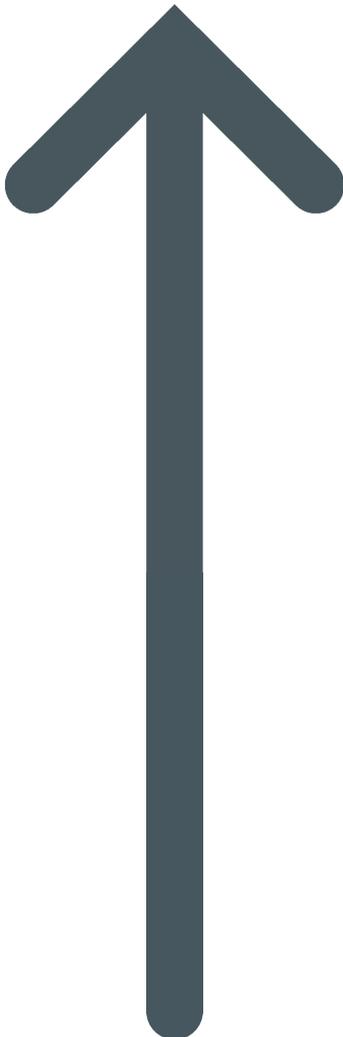

“ Brilliant academics, fantastic co-curricular programme and excellent events. ”

Achieving the Prior Passport

The student's tutor will play an important role in the monitoring of the Prior Passport. At the end of each term, the students will need to have demonstrated that they have achieved the requirements as stated previously.

This will be recorded and at the end of each term, the students will be awarded with the following:

Gold:

All strands achieved every term during the academic year as outlined in the pages below.

Silver

All strands achieved for two terms in the academic year.

Bronze:

All strands achieved for one term in the academic year.

The school offers over 50 activities over the course of a week. The students are encouraged to attend an activities forum at the start of September and choose which activities they wish to join. Most activities take place during lunch-time (between 12-1pm or after lessons (between 4-6pm)).

As part of the school's commitment to an all-rounded education, the students are encouraged to try something new as well as pursue a particular interest or talent. The students can of course, continue with their outside activities and the school would very much encourage this. These activities can contribute towards students achieving the Prior Passport.

In addition, many departments run extra 'booster and catch up lessons' throughout the week.

Outdoor Pursuits and Trips

Outdoor pursuits can be great fun! They help to develop the confidence and self-reliance of young people and help them to act independently. From Year 8, all students have the opportunity to join the St John's Ambulance service. Our fantastic links with this community organization enables our students to get involved and develop their knowledge in lifelong skills.

Participation in the Duke Of Edinburgh's Award scheme is a popular option. The school offers participation at Bronze, Silver and Gold levels. Each level consists of four sections: skill, service, physical recreation and expeditions. The school also runs a variety of trips throughout the year. These range from team building trips for our year 8s to academic enrichment trips.

Examples of these include:

Ski Trip to Italy
LAMDA trip to Benalmadena, Spain
Year 11 Surf Trip to Tarifa, Spain
Year 8 Trip to Alcaidesa, Spain

Geography Trip to Bath, UK
Japan Trip
Photography Trip to London
Languages Trip to France

“My daughter loved it and cant wait for the next trip. Life is great and eventful at Prior Park.”
