This means personalized attention from teachers, close groups of friends, and lots of opportunities to get involved in clubs and sports.

vincentian days

Vincentian Day offers students the opportunity to engage in colloquium-style courses which cultivate their interests and foster student connection. Utilizing both our campus and the city of Chicago, students will participate in offerings designed to immerse them in new cultures and encourage life-long learning. Some of our Vincentian Day colloquium courses include:

- Reading Around Chicago
- Archery In The Park
- Rams Give Back
- RPG Game Design
- Fiction Writers Workshop: Creative Writing
- And many more!

OFFICE OF DIVERSITY, EQUITY & INCLUSION

This work is guided by our school's mission and Core Values. We strive to affirm identity, make culture more palpable, create brave spaces for understanding through academics, and engage the community in meaningful dialogue around equity and social justice. As a faith-based institution, we aspire to move with purpose and conviction toward the utmost level of inclusion.

See yourself excel

Students at DePaul College Prep develop a strong foundation in liberal arts, science, technology, engineering, and math.

We offer college preparatory academic options, all designed to meet the needs of our students including **Honors, Advanced Placement (AP), and Dual-Enrollment** courses, and we are proud to be an **International Baccalaureate (IB) World School**.

“At DePaul College Prep, our goal is to ensure that all students are prepared and have options for college and university work following their high school career. Our rigorous curriculum and our approach to teaching and learning are designed to this end.”

— Dr. Megan Stanton-Anderson
Principal, DePaul College Prep

STEAM ELECTIVES OFFERED:

25

The STEAM Department (Science, Technology, Engineering, the Arts and Math) is comprised of instruction in visual arts, media arts, theater, music, engineering, design, and computer science. The Department adopts an interdisciplinary approach to learning that develops critical thinking and creativity using state-of-the-art technology, fully-equipped art and sculpture studio, engineering and fabrication lab, computer science lab, and music studio. Students will create their own projects in robotics, visual and fine arts, documentary film, computer programming, engineering, and design. Beginning with freshman year, all students are required to take a full year of coursework in STEAM which can be followed by electives within individual disciplines in sophomore, junior and senior years.

DePaul College Prep is proud to offer environmental science courses, which include opportunities to work with our thriving organic garden.

In our **Sustainable Urban Food Systems & the Culinary Arts** course, students investigate the processes of obtaining, growing, and cooking our food. We prepare the students to create a greener world by focusing on sustainability, regenerative farming, environmental activism, and food accessibility. Beyond planting and caring for the garden, students also learn the skills to effectively prepare these foods in the kitchen.

Cup of Joe is a student-conceived, created, written, and produced bi-weekly video news broadcast designed to bring DePaul Prep updates and news to the school community.

Be yourself
with others

grounded in our core values:

faith respect excellence. service health

FAITH

Religious formation cultivates mature faith in emerging adults. Our priorities are rooted in the Catholic Tradition and Vincentian Charism, are cognizant of the role of Catholic education in this place and time, and seek to engage our student body **wherever they are on the spectrum of belief and practice.**

In keeping with Saint Vincent's central question, "What must be done?", students learn what it looks like to bring people on the margins of society into community through service. Prayer and liturgy are part of everyday life at the school, in addition to annual retreats through which students explore their God-given unique gifts and their identity as a beloved creation.

RESPECT

Ours is an urban school community that reflects and engages with the multicultural and socioeconomic diversity of our city. By extension, we cultivate a caring relationship toward our school environment, neighborhood, and planet.

EXCELLENCE

We define excellence as challenging you to go beyond your own comfort level in the classroom, on the court, with friends, on the stage, or in our maker spaces. By fostering unique gifts and self-

respect in each student, we develop a sense of confidence and integrity that is ultimately expressed in every facet of life.

SERVICE

Rooted in the transformative social service legacy of Saint Vincent DePaul and Saint Louise DeMarillac, service learning and community engagement are integral parts of a DePaul College Prep education. Each student is required to participate in, and reflect on, a variety of service experiences as part of their formation toward living as a mission-driven adult.

HEALTH

As a Catholic school, our holistic approach teaches students to honor their bodies and well-being as a gift from God, "fearfully and wonderfully made." (Psalm 139). This spirit is infused into all that we do at DePaul Prep from the athletic fields and dining hall, to the classroom and chapel. Through our Advisory Program, counseling department, and campus ministry, we equip students to nurture their hearts, minds, and bodies. from the athletics fields and dining hall, to the classroom and chapel. Through our Advisory Program, counseling department, and campus ministry, we equip students to nurture their hearts, minds, and bodies.

SERVICE HOURS
VOLUNTEERED BY
STUDENTS

16,000+

By engaging in service learning, students build relationships with select social service institutions in Chicago, exposing them to diverse ways of serving the needs of our city and responding to Saint Vincent DePaul's great question, "What must be done?"

*NO SERVICE HOURS REQUIRED IN
2020-2021 DUE TO COVID-19

faith

counseling & college planning

The DePaul College Prep Counseling Team provides student support which includes a balanced focus on academic excellence, college readiness, and social-emotional wellness.

learning support

DePaul College Prep is committed to providing curricular support to students with diagnosed learning differences throughout the school. Learning specialists are able to offer targeted support in reading comprehension, written expression, math, and executive functioning. Instructional support is provided inside and outside the classroom.

Learning specialists manage individualized classroom and testing accommodations, maintain close communication with teachers, parents, and outside professionals, and help students become independent learners. Students are eligible for learning support services if they have a diagnosed learning disability and/or ADHD that are included in an IEP, 504 Plan, or private evaluation. Documentation must be submitted to DePaul College Prep in order to receive specialized support.

E.D.G.E

The EDGE program (Every DePaul Graduate Excels) is a structured support program which provides a focused space to complete schoolwork and receive assistance from EDGE teachers within a student's daily schedule. Our team of EDGE teachers administer student specific support in math, reading, and writing, and executive functioning. Eligibility for EDGE is based on Title I rules and requires signed parent permission.

The Counseling Department provides resources such as:

- Parent Education & Wellness Series
- Grief Resources for DePaul Prep families
- Community Resources for families

Academic Excellence

- One-on-one academic planning
- Tutoring & mentor programs
- Access to a Learning Specialist
- Collaboration with teachers and parents
- Assistance with adjusting to high school
- Executive Functioning support

College Readiness

- Individual counseling for college & career development
- Workshops on college planning, the admissions process, and financial aid
- Access to Naviance, an online career and college planning software
- Consulting expertise from DePaul University's Office of Admissions and referrals to the Education and Counseling Center
- College representative visits
- Spring semester College Fair
- Dual Enrollment for college credit at DePaul University

Social-Emotional Wellness

- Stress-management support
- Time-management support
- Individualized counseling for student-athletes
- Mindfulness programs
- Specialized support plans and guidance

Advisory

One core aspect of our counseling program is Advisory, a scaffolded four-year course which meets intermittently throughout the academic year.

Find yourself

college-ready

Partnership

One of DePaul College Prep's greatest differentiating assets is our university-wide academic partnership with DePaul University.

As DePaul University is located just three miles from our campus, students, families, faculty, and staff benefit from the expertise and academic supports.

Partnership Benefits include:

- + Academic Resources
- + Dual Enrollment Courses for college credit
- + Professional Development
- + Facility Use
- + Service Work Collaboration
- + Guided Research support for IB students in the Richardson Library
- + ComEd Scholarships

For more: www.depaulprep.org/depaul-university-partnership

"Our partnership with DePaul University expands our academic and extracurricular resources, elevates our faculty and most importantly, directly benefits our students."

— Mary A. Dempsey
President, DePaul College Prep

TUITION & FEES FOR THE
2020-21 SCHOOL YEAR:

\$15,500*
+
\$550
Registration Fee

*Please note additional fees and expenses:
A family will incur additional costs
for books, iPads & accessories,
uniforms, and meals.

It is expected that all DePaul College Prep students and families participate in two annual fundraisers to support the school, which include a contribution to the DePaul College Prep Fund for Excellence Annual Appeal.

financial aid

Through the generosity of our Board Members and benefactors, DePaul Prep is able to offer academic scholarships and need-based financial aid. Students who score 80 or above on the entrance exam will be eligible for an academic scholarship.

Need-Based Financial Aid Application

Application OPENS: Friday, October 1, 2021
Application CLOSES: Friday, December 31, 2021

See yourself at DePaul Prep

At **DePaul College Prep**, we pride ourselves on providing a Vincentian Catholic, college prep education for young women and men **like you**.

Our academic partnership with DePaul University, dedicated faculty, innovative teaching and learning curriculum, and welcoming community of students create an environment that encourages intellectual curiosity and values each student.

See yourself here.

Our Vision

We strive to create an educated, compassionate, and just world, one student at a time.

visit

DISTANCE FROM
DEPAUL UNIVERSITY:

3 miles

With our academic partner as our neighbor just three miles away, students and families can take advantage of the many resources the University makes available to the DePaul Prep community.

DePaul College Prep is a community anchor in the heart of the north side of Chicago, surrounded by the neighborhoods of **North Center, Roscoe Village, Lakeview, Logan Square, Avondale, Irving Park, and Lincoln Square.**

Many students walk or ride their bike to campus. Located on Campbell Ave. at Belmont, DePaul Prep is accessible via the **CTA Red, Brown, or Blue** line trains, and the **#152 Addison, #52 Kedzie, #77 Belmont, and #49 Western** buses.

Applications for the DePaul Prep **morning bus service** are accepted before the school year begins.
