## *Underclassmen Photos...*

We have really enjoyed taking the yearbook photos of the current OC students this school year and they are now available for you to see! All underclassmen yearbook photos are currently posted online in password protected galleries on the Simply Sisters Photography website and are available for purchase. Please note that the photos in the galleries *have not been fully edited*, but your final photo pose and any photos ordered online *will be edited* and sized appropriately at no extra charge to you! *There is still time to submit order forms to the office to take advantage of discounted packages that are not available when ordering online.* If you did not receive the form in an email attachment from the school, students can pick one up at the office at any time.
