**Principal's Phoenix Flyers:**

*Stay tuned for what's next!*

Hello RAHS Families and Community –

We had a sudden departure this week of our 10<sup>th</sup> grade ELA teacher, **Mr. Wayne Storer**. Mr. Storer has accepted a position in Seattle and Friday was his last day. We shall truly miss Mr. Storer and appreciate the 7 years he has dedicated to the school. We wish him the very best of luck!

However, it is with great pleasure that I announce we have a veteran educator to step in for him. **Dr. Dana Carmichael** joins us after a long career in the state of Minnesota and after recently moving to Seattle and joining Highline Schools. Dr. Carmichael brings an extensive Humanities background and excitement for Project Based Learning to campus. I know you will all welcome her to this amazing community.

A big thank you to students and staff for helping everyone stay safe during drop off and pick up – hopefully everyone was able to review the procedures. All traffic is now flowing from south to north every day for both drop off in the morning and pick up in the afternoon. The traffic flow ensures that potential incidences for accidents are greatly reduced. Although we understand that it may take a few minutes longer to exit but overall in the afternoons, dismissal is averaging only 6 – 10 minutes. We truly appreciate everyone's attention this this detail.

In addition to traffic safety, we have greatly appreciated staff and families attention to Covid-19 safety. We thank staff for keeping the building clean and for all members of our community wearing their masks and maintaining social distancing.

Thank you everyone and have a wonderful week.

*Therese Tipton*
