Getting to know your Centaurus Team

Each week we will introduce a member of the Centaurus faculty or staff to our parent and student community. This week we would like to introduce Cindy Griffith.

Hello!

I'm Cindy Griffith and I am new to BVSD. I am excited to start my position here at Centaurus. Fun fact, I am a Colorado native who has never been skiing.

I will be teaching in the Autism - ILC program this year; I have been a special education teacher for six years.

I graduated from Metro State with a Bachelor of Arts degree and went on to earn a Master of Education from Regis University and a Master of Science in Educational Leadership from Western Governors University. I am thrilled to be part of the wonderful Centaurus community and look forward to a successful year ahead - Go Warriors!
