

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together which explains how all will work together to make sure all of our students master grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe and participate in the classroom

Jointly Developed

This School-Parent Compact for Achievement was jointly developed by the parents, students and staff of City Park School. Teachers suggested ways for parents to help students at home and parents added ideas that gave us ideas about their needs in this process. Students helped us with suggestions about ways in which they learn best. Meetings are held each year to review the compact and to make changes based on what our students need.

We welcome comments from parents, students and staff at any time!

Building Partnerships

- District Parenting Classes
- School Parent Engagement Coordinator
- Sharing is Caring
- Dalton Police Department – Shop With a Cop
- Kid City
- City Park Family Nights focusing on academic content
- City Park PTO and School Council
- Shaw
- Team King Realty
- Dalton First United Methodist Church (DFUMC)
- Rock Bridge
- School Open House & Parent Conferences
- Helping Hands Ending Hunger
- Family Resource Agency of North Georgia
- Latin American Association

Communication about Student Learning

City Park is committed to communicating with families through the school year about our students learning progress and academic achievements. Some of the ways you can expect us to connect are:

- Daily students agenda/folders
- Progress report and report card
- Telephone calls
- City Park Automatic Phone Messenger
- Flyers
- Parent-teacher conferences
- Updates on the school website and social media accounts
- Workshops and parenting classes
- Notes home
- E-mail/class newsletters

SCHOOL-PARENT COMPACT FOR ACHIEVEMENT

2021-2022

City Park School

Grades PK-5 Title I School

Principal: Kim Rhyne

**405 School Street
Dalton, GA 30720**

**Tel (706) 876-4500
Fax (706) 226-5457**

<http://citypark.daltonpublicschools.com>

District Goals

- Increase the percentage, by 6%, of students scoring at proficient or above in the core content areas as measured by Georgia Milestones End of Grade and End of Course assessments.
- Increase the district's 4-year cohort graduation rate to 84.94% as reported on the College and Career Ready Performance Index (CCRPI)

City Park School Goals

- Increase the total percentage of students performing at levels, 3 and 4 on Georgia Milestones in all content areas by 6% in 2022.
- We will promote world-class learning by providing quality Tier 1 instruction and continual analysis of data. We will use school assessment data as well as feedback from parent communications, parent surveys, and observations to inform and drive instruction. We will also participate in ongoing opportunities such as PLCs and other professional development.

In the Classroom

City Park School staff works with families to support student academic achievement in all content areas. Some of the ways we do this include:

- 100% of participation during Fall and Spring Parent Conferences
- Offer family nights with a focus on academic content and ways to increase student achievement
- Academic Celebrations
- Parent Workshop opportunities with our City Park Parent Engagement Coordinator, Esterly Flores.

World-Class Learning That Prepares Students For Success In College, Career and Civic Life.

At Home

During parent- teacher conferences, City Park parents learn about their child's accomplishments and receive materials to ensure success in their learning throughout the year. Ways to help support your child are:

- Attend Parent Teacher conferences
- Check homework and planners
- Attend Family Nights
- Listen to your child read every night
- Join PTO
- Stay connected via our social media, school website, and DPS app.

Students

The City Park Student Council shares ideas about what our school should look like, sound like, and feel like for students to be successful. The City Park Student Council members have the following suggestions to help students connect learning from school to home:

- Talk to your family about your guided reading books and what you are learning in math
- Bring home notices and encourage families to attend Family Nights and school activities
- Use your technology to play instructional games in reading and math and share the games with your family
- Demonstrate CATtitude (Come prepared, Act respectful, Take responsibility, and Show kindness)
