

Buckman Arts Center COVID 19 Protocol*

Buckman is thrilled to welcome back live audiences. **Keeping everyone safe as we reopen our doors is our top priority.** Buckman has adopted the following protocol:

- All patrons must wear a mask in the Buckman building at all times.
- Sanitation stations will be available at entry.
- We are a ticketless venue, meaning ticket holders may proceed to their seats upon arriving at the theater. Seat assignments are emailed at the time of purchase. Please contact (901) 537-1483 or cyounger@stmarysschool.org for seat confirmation.
- Capacity in the theater is limited to 70%. While seats are assigned, a general admission area will be provided for patrons choosing to socially distance.
- To discourage gathering, we will not have intermission nor allow gathering after the show.
- Concessions will be “grab and go” only.
- Programs will be emailed in advance as PDFs.
- All Buckman staff, volunteers, and artists are fully vaccinated. Audiences are encouraged to vaccinate as well.
- All public spaces are sanitized after occupancy.

**As this is an ever-changing situation, Buckman protocol will be adapted and adjusted as needed throughout the season.*
