## **Community Task Force Application**

### **Facility Master Plan**

Thank you for your interest in serving on the ROCORI School District Community Task Force. Please complete and submit this application to Holly Gazett via email at [gazett@rocori.k12.mn.us](mailto:gazett@rocori.k12.mn.us) or drop it off at the District Office by 12:00 p.m. on September 29th, 2021.

A Community Task Force on facilities is being formed to study the ROCORI School District facility needs and create a long-range Facilities Master Plan for recommendation to the School Board. The recommendation will be based on building capacity, current and projected enrollment, educational needs of the School District, alignment with the District's Vision, safety and security, community recreation, and financial stewardship.

The role of the Community Task Force is to analyze and review information and data regarding ROCORI School District and their facilities and make a recommendation to the School District about the best use of their facilities and any improvements that may be identified through the Task Force's work.

The selection of members will include a broad cross section of our communities. The Task Force will be comprised of 20-30 members. Every attempt will be made to capture varied stakeholders and interests from the ROCORI community, District Staff, Parents, and Students. A sub-committee of the Board will review the applications and the full School Board will approve the membership on October 11th.

Meetings will be held on the following dates from 6:00 to 8:00 pm. Meetings will be held in the Innovation Center at the Secondary building.
