September 8, 2021

Dear Parent or Guardian,

Students who are interested in taking the AP exam this year can sign up for the exams in the school counseling office. *Each* exam costs \$96.00. The College Board is reinstating the unused/cancellation fee this year. Any student who registers for the test, but does not take it will be charged a \$40.00 cancellation fee. The Keystone Foundation has generously agreed to pay the exam fee for the 2021-2022 school year. Students who sign up for the exam, but do not take it will be charged the cancellation fee and can not participate in school sponsored activities until it is paid. The exam fee is reduced for students who qualify for free/reduced lunches. Please complete and return the attached ordering form to the school counseling office. Deadline for sign up is **3:00PM, October 28, 2021. This deadline will be strictly enforced.**

All students are encouraged to take the AP exam. Taking the AP Exam is not a requirement for AP courses. If a student chooses to take the exam, he or she will receive high weight for taking the course (utilized only when calculating class rank). Students who choose to not take the exam will be awarded middle weight.

Questions pertaining to AP Exams should be directed to Mrs. Holly Moore, school counselor and AP Coordinator for Central Mountain High School.

The College Board has strict policies pertaining to late testing for AP Exams. The College Board will only allow it for certain cases and may charge an *additional* \$40.00 per exam. Please contact Mrs. Moore if you need to take an AP exam late.

Sincerely,

*Holly Moore*

Holly Moore  
School Counselor
