

School Scholarship Tax Credit— Great news for Cathedral High School donors

A School Scholarship Tax Credit is now available for individuals or corporations who donate to scholarship granting organizations (SGOs) for the purpose of supporting Cathedral's students through funding scholarships, grants and financial aid.

In addition to the direct state tax credit, you also receive a federal tax deduction for your contribution. The following table illustrates an individual's after tax (state and federal) cost of a donation assuming a 30% federal income tax bracket.

The tax credit is equal to 50% of the amount donated and is used to reduce your Indiana state income tax liability.

Donation Amount	State Tax Credit	Net Federal Deduction (1)	Federal Tax Savings 30%	Total Tax Savings	After Tax Cost (2)
\$50,000	\$25,000	\$25,000	\$7,500	\$32,500	\$17,500
\$25,000	\$12,500	\$12,500	\$3,750	\$16,250	\$8,750
\$10,000	\$5,000	\$5,000	\$1,500	\$6,500	\$3,500
\$5,000	\$2,500	\$2,500	\$750	\$3,250	\$1,750
\$1,000	\$500	\$500	\$150	\$650	\$350
\$500	\$250	\$250	\$75	\$325	\$175

(1) The net federal deduction is equal to the contribution less the state tax credit as state taxes are deductible for federal income tax purposes. (2) Actual after tax cost will vary based on your individual income tax status.

The Indiana credit cannot be carried back to prior years but can be carried forward for nine years. Consult your tax advisor to verify your ability to utilize the state tax credit and federal tax deduction.
