

Ski Sundown Afternoon Program 2022

Due date this year: Friday, November 5th

Dear Parents,

We will be participating in the ski, snowboard, and lesson program at Ski Sundown once again this year. All 7-12th grade students are welcome. Our program is scheduled for **Tuesdays: January 4, 11, 18, 25, and February 1st.** Our buses will bring the skiers/snowboarders to Ski Sundown; however, students must be picked up there **@ 5:45**. We will be skiing from 2:45 to 5:45.

We need all the forms filled out and **returned** to The Middle School office, or **Ms. Cady in room 001.**

Download all the forms from our NWR7 school website: Search Ski Sundown. **All Payments and forms must be in by Friday, November 5th.** Ski Sundown will be charging \$25.00 for late add-ons this year. **Sign-up today!!!**

Please make checks payable to: **RSD7 (black or blue ink only please).**

If you have any questions please contact me @ Ext. 3001 or kcady@nwr7.org

Thank you,

Kathy Cady

2022 Afternoon Ski Sundown Program and Safety Agreement
Northwestern Regional Middle School and High School / NWR7

Dear Parents/Guardians,

Now that our cold weather is slowly returning we are looking forward to a fun ski/boarding season. We are continuing with our safety policies. We need Parents/Guardians to come into the ski lodge at or before 5:45 and sign their child out at the NWR7 table.

If your child has a season's pass from Ski Sundown with your permission your child can sign themselves out at or before 5:45. You must signify that you give them permission to stay after all NWR7 chaperones leave.

Also, please review and sign our Northwestern Regional Emergency and Permission Form. We ask that you and your child carefully read together all sections 1-5 of the Ski Sundown Program Agreement before signing all forms.

Included on our school website are all the 2021-2022 Ski Sundown safety links. Please read and discuss all that information with your child.

Thank you for participating in our program. If you have any questions please contact me at kcady@nwr7.org. Please note, at times it is hard to get cell service at Ski Sundown. Furthermore, we greatly appreciate your help with our safety forms. We always value the health, safety and welfare of our students.

Sincerely,

Kathy Cady

2022 Afternoon Ski Program

Information for Parents and Students:

Program begins Tuesday, January 4th

When arriving at school in the morning during parent drop off time (7:00-7:25) please bring your ski/boarding equipment to the auditorium/stage. The stage door is only unlocked and supervised during this time.

- Go to the double doors, there will be a teacher there to direct you.
- Neatly place your equipment on the stage being sure to leave a pathway.
- The stage door will be locked during the day.
- After school is dismissed, go to the stage doors and lineup. A teacher will take attendance and instruct 2 students at a time to pick up their equipment.

If your parents are driving you, you must still sign in with a teacher/chaperone. Everyone must sign in!

- You will then go to the main lobby and wait for instruction to board the buses. We will depart at approximately 2:30.
- When arriving at Sundown the first day, an employee will board the buses to give a safety talk. Skiers and Boarders are always expected to use caution while on the mountain, and always have proper behavior on the chair lifts.
- In the event of an emergency, the mountain ski patrol will be there to assist you. They will locate a chaperone to get emergency phone numbers.
- For students taking **lessons** and **renting equipment** a teacher will assist you.
- The **lesson program** is at 3:25. Students must arrive on time at the base of the mountain.
- Students must be picked up at 5:45.

Cancellations: In the event that school is canceled we will make-up the date on Tuesday, February 8th (Feb. 22nd for the second make-up date, etc.). If there is an early closing, the trip to Sundown may or may not be cancelled depending upon the road conditions. Please listen to the school announcements for information on cancellations. At times, due to rain, poor conditions, or roads being not safe for travel we may cancel even though Ski Sundown is open. In which case, parents need to pick up the equipment.

- **Reminder:** Always keep your ski badges secure. There is a cost to
- replace them. Replacement badges are obtained at the Welcome Center.
- **The program is scheduled for Tuesdays: January 5, 12, 19, 26, and February 2nd.**

Thank you!!!! Kathy Cady / Ext. 3001 kcady@nwr7.org
