Register *your child* for our COVID-19 testing program today

Hello parents/guardians,

Teche Elementary's Testing Program begins *September 29, 2021*. In order for your child to participate in testing, you'll need to register them for the program.

Click <https://home.color.com/covid/sign-up/start?partner=ldh-tec-801-students> to register your child for the program.

A parent or guardian must register any minor under 18 years old. You'll give a one-time consent and HIPAA authorization to share their results with the school and district. Testing is not required, but highly encouraged to keep our school community safe.

We'll test on Wednesdays at the Teche Elementary and the results will be delivered to you by text or email within 24 hours and we will follow-up with you directly if your child has a positive result.

If you have any questions or concerns, please reach out to [225-910-8308](tel:225-910-8308) or visit the website at [www.k12testing.com](http://www.k12testing.com).

Thank you for your participation to keep our community safe and healthy.

*Kind Regards,  
Shelly Dupre'*
