School Description

Carlin C. Coppin Elementary School is located in the Western Placer Unified School District in the city of Lincoln. The school serves Transitional Kindergarten through fifth grades; the enrollment is currently 414, with two to three classes at each grade level. The ethnic makeup is as follows: 57% Caucasian, 35% Hispanic/Latino, 8% comprising of African American, American Indian, Asian, Pacific Islander, mixed races and unclassified. We are a Title I school with 43% of our students qualifying for free and reduced lunch. The Principal is Shamryn Coyle. Scott Leaman is Western Placer Unified School District's Superintendent.

With the COVID-19 Pandemic this year, significant supports will be needed to address the academic and social emotional needs of our students and families in this unprecedented time. Never before have we seen a crisis such as this in our world let alone our educational system. Ample attention will be paid to supporting our students and families during this time and our resources at school will be allocated accordingly to close the achievement gap for our significant sub groups while continuing to support all students staff and families.

Our Title I and Supplemental funds are used to support student growth and achievement in both the academic and social/emotional realms. The majority of our Title I monies are used to fund 3 staff members. 2 Instructional Support Providers (ISP) are funded by this source as well as a bilingual aide/clerk to support the needs of our English Learners and Spanish Speaking Community. Our ISPs directly support student instruction during the instructional day in what is called Spotlight. Students needing additional support or enrichment are identified through our Multi-Tiers Systems of Support process and are matched with appropriate instructional support and are monitored to ensure it is meeting their needs. Our teachers utilize Professional Learning Community (PLC) time on a regular basis to analyze data and determine student needs and plan cycles of instruction based on Response to Intervention practices (RtI) and Multi-Tiered Systems of Support (MTSS). Our Spotlight time extends upon best first instruction to meet student needs in a more individualized and differentiated format. Subject matter for Spotlight shifts throughout the year based on data and student need.

With close to 21% of our school population being Hispanic and with 11% being English Learners we continue to employ a Bilingual Clerk/Instructional Aide to support the needs of this part of our school community. Approximately 19% of our families benefit from primary language support to assist with communication and maintain involvement in their child's education. Our Bilingual Clerk/Aide provides direct support to students in the classroom with extra tutoring and/or primary language support when appropriate. She translates important school documents and interprets at conferences and IEP and SST meetings on campus. Additionally this person also serves as a communication liaison between teachers and families when language may be a barrier. She coordinates our English Learner Advisory Council and provides ongoing Parent Information Classes utilizing Latino Family Literature Curriculum and other resources. Our Spanish speaking community is actively involved in our school community and can support their child's learning because they have quick and easy access to the school and can communicate and receive information in their primary language, Spanish.

In addition to personnel we have also been able to utilize our funds to purchase technology and supplemental curriculum materials as well as training and professional development for staff. Student access to technology varies throughout our district. Over time we have been able to purchase new Chromebooks to support student learning. We are working toward a 1:1 ratio this year with the COVID-19 pandemic. The district his also helping to purchase technology to support learning. We continue to purchase new computers and replace outdated machines as needed. This allows our students to access a key component to our instructional programs, iReady. We utilize iReady Reading and Math for universal screening, progress monitoring and ongoing instructional practice. iReady recommends students work 90 minutes weekly. In order for students to meet that weekly goal we must have enough computers on campus for them to access the program. This year we will also utilize STAR reading and math assessment to further monitor progress and inform our instruction.

Carlin C. Coppin is a certified AVID Elementary School Site. We continue to use Title I and Supplemental dollars to support our program implementation. This includes supporting our Site Coordinator in the administrative tasks as well as professional development for staff as well as student materials and supplies such as binders and planners. AVID is an internationally recognized program that helps to support college and career readiness for all students. We continue to send staff members to AVID Summer Institute and work to maintain our certification.

Carlin C. Coppin is one of the oldest campuses in WPUSD. We continue to place emphasis on updating and upgrading our learning environments by purchasing new furniture to support flexible seating needs, upgrading classroom technology so teachers can have quick access to teaching tools to best meet student needs.

We also continue to utilize these funding sources to upgrade and update our school library.

MISSION STATEMENT: As a school community, we will develop, encourage, inspire and challenge students to learn and become productive and honorable members of society.

VISION STATEMENT: Community, Caring, Commitment: Through positive relationships and personal interactions we will meet the needs of the whole child in a fun, loving and joyful environment.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	42	N/A	45	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents play an important role at Carlin C. Coppin through active participation and involvement in School Site Council (SSC), the English Learner Advisory Committee (ELAC), the Parent Teacher Club (PTC), the art docent program, annual events, and volunteering in the classroom. Parents support school activities such as assemblies, annual events and purchases of teaching resources and rewards. Parents can access our school website, school app or call the school office for more information about becoming involved in school activities. With the COVID-19 pandemic we are not able to welcome parents and community members to campus. They continue to be supportive and involved remotely. We hope to welcome them back when it is safe to do so. Our teachers play a critical role in maintaining two-way communication with families.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The School Safety Plan, revised and approved in October of each year, lays out a plan for ensuring students learn in a secure and safe environment that covers routine and emergency procedures. Arrival and departure procedures are in place to ensure the safe and orderly ingress and egress of students. The campus is closed during the day with all visitors checking in at the office. Staff monitors students at all times throughout the school day including movement about campus and recess times. Emergency procedures are rehearsed throughout the school year. A Behavior Intervention Support program is in place to recognize and reward students for positive behaviors that contribute to a safe and orderly school climate. For more detail, please visit the school or district website to view the Safety Plan in its entirety.

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.02	2.4	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	6	18	25+

Western Placer Unified School District will provide extensive staff development days this year to support distance learning platforms due to COVID-19. Additionally, many opportunities are available for staff development through both the District and Placer County Office of Education, a regular calendar of events offered throughout the school year has allowed staff to attend a variety of workshops. Staff have attended professional development with Universal Design for Learning, GLAD, AVID, Placer County Office of Education, Pearson Envisions Math program, Ready Common Core Mathematics, as well as opportunities offered through the district which include iReady and Illuminate. Latino Family Literacy and Sight Word Busters are other programs offered to our school community. Staff is also participating in regularly scheduled grade level professional where grade level teams work together to create goals and curriculum in the areas of Language Arts and Mathematics. Members of the school staff also took advantage of district Teachers on Special Assignment to come and meet with grade level teams and model lessons.

Types of Services Funded

Carlin C. Coppin receives Title I funding support, as well as district supplemental funding to support student learning and supplemental materials. School Site Council has allocated these funds in the following ways: Substitute costs and workshop fees allowing staff to attend curriculum specific training, substitute costs for staff to work in grade level teams developing goals, lessons, curriculum and materials for all students, teacher stipends for choir, Student Study Team Coordinator, Technology Support, special assemblies and programs, library materials and teaching resources.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
